

J. Residence Deck Rapid City, SD

Working closely with the home owners Elevate Design Studios developed a back or residence deck and patio that allows uses throughout the year. The upper deck consists of seating fire pit area off the master suite. It also holds the BBQ area along with outdoor dining area. The lower patio is consists of seating and play space with storage and a future expansion to hold, bar seating, outdoor kitchen, and spa.

Key Elements:

- ▶ Aesthetic material selection
- ▶ Stair Case to connect upper deck and lower patio
- ▶ Uses that allow year round use
- ▶ Flexibility for future phases

Budget: \$50,000

Completed: 2014
