**Hutch Updates:**

Not a lot of news in February...Very little has been shared and other than getting 21" snow & more in some areas things have been good & relatively slow...But That Is About to Change!  
March Madness is turning Hutch into a Frenzy!

As many of you know we started out with **HHS Boys & Girls** rated #1 but both have fallen with a few losses, however our Hutch Teams Play soon in the semi finals.  
Fingers Crossed! They need our support!!!

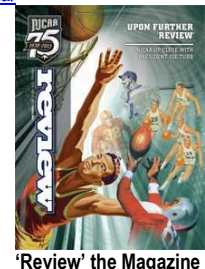

**Hutch JUCO** is playing in Semi Finals with stakes very high! They too were rated #1 but have dropped back. This years tourney has changed to Seeding Method and we still have a chance to be included in tourney even if we loose in finals because of season wins and many successes!

Mary Beth (Young) Swenson shared note:

Thanks for doing the newsletter. Interestingly, a friend of mine who lives in Diamondhead, Mississippi, just sent me a copy of the Hutchinson Salt Mine article that ran in the Kansas City Star. Her local newspaper had run the story also. We had visited some salt domes in southern Louisiana last year and were telling her about it, so she knew we'd be interested in this article.

**Concerns & Prayers:**

**Update on Caralee (Owens) Mueller**, she is gaining strength after extreme chemo treatments and is awaiting bone marrow transplant.

Rose Anne (Laird) Fowler shared this note, (3-4-13)

***'I had a lovely visit with Caralee while in Florida last week. We went out for lunch and had a wonderful time. She is feeling well and appreciates the notes she has received from classmates. She has an amazing, optimistic attitude and we had a great visit. I was sorry that it was short, but I had to return to NJ the following morning. Rose Anne'***

I am having issues with emails on Jim Hardy & Jim Reed. Just in case anyone trying to email them. In past Jim Hardy said he was receiving them in spite of undelivered notice. Jim Reed is temporarily w/o computer access. Confirms his email should remain same.  
\*if you change email or home address please contact us ASAP! If you have forgotten contact info, seriously hope you have bookmarked & copied in safe place our fantastic web address. You can always access Dean & myself thru it to share updates.
