

KEEPING YOU SAFE

With your next appointment from the comfort of your home

Manuli Internal Medicine is proud to offer Telehealth appointments in addition to standard office visits

Here's how it works:

- Call our office and request a video visit
- Our staff will provide instructions
- During the visit your provider can electronically prescribe medications if necessary, refill your medications, order labs or other tests

To participate in video visits you must:

- Have a stable WiFi/cellular connection
- Have a computer, tablet or smartphone (requires camera, speaker and microphone)
- Be registered in our patient portal (if you are not registered yet, it only takes a few minutes, give us a call.
