

# Aurora leadership coach releases 'Chaos to Clarity Success Journal'

Aurora leadership coach Marianne Renner has released her first book, "Chaos to Clarity Success Journal."

She said the book walks readers through three daily actions to help replace negative thoughts with new empowering beliefs to help build confidence and more success in personal and professional life.

Renner explained, "Chaos is the biggest thief in our lives. It robs us of our goals, it robs us of our dreams, it robs us of our true purpose--and of living the lives we were meant to live.

"'Chaos to Clarity' is a journal to help readers achieve a greater sense of confidence, courage and meaning in their lives. The Journal is designed to help readers focus their thoughts in a new, empowering way."

Independently published, the 120-page paperback is available from Amazon.com for \$15.

Renner is a successful leadership coach and recognized keynote speaker. Described as dynamic, engaging, thought-provoking and inspiring, her coaching and speaking have motivated high-level performers toward taking action and practical steps for real results. She keynoted Aurora University's March Sales Institute, a bi-monthly sales workshop.

Renner offers effective techniques for problem-solving and insights to behavior and performance, stressing the importance of setting goals and having a clear plan to reach those goals.

She has owned two businesses and founded a not-for-profit organization for at-risk youths.
