**Treasurer's Report**

Mary had a printout given to her by the Foundation with the balance of \$10,597.61.

**Newsletter**

Bob spoke about a commemorative edition of the newsletter. He will get in touch with Sal LaLima regarding any pictures. We will also reach out to the Eastern Campus to see if they have pictures from long ago.

Pete will give him pictures from the recent luncheon at the Cull House for the next edition. There were 22 people who attended.

There was a brief discussion on recruiting someone who has computer skills who could help Pete in all the jobs he does for us. It was suggested that Bob could put an insert in the next newsletter asking anyone willing to help.

Bob volunteered to have our August "picnic" at his house. We will discuss the date and further details at the next meeting.

Since there were several people who could not make the meeting in July, it was decided that the next meeting will be held on June 29th.

Meeting Adjourned 10:30 a.m.

Respectfully Submitted,  
Marie Basileo, Secretary
