President's Message

I would like to thank everyone who participated in the October best Ball tournament and congratulations to those that won their flights. We also had our last derby of the year and thanks for those who joined us. Remember to mark your calendars for the November tournament on the 13th. Which will be an individual low net.

As I continue to learn the position and meet more and more of our members, thank you for your patience. I'm also here for any concerns or suggestions you may have.

I want to thank those of you are returning your carts to the cart barn, and lot leaving them outside the bar. The course really appreciates it!

The golf course is updating their gift card (scrip) system, so that they can identify men's club members from the general public. If you have an old scrip card, you can throw it out. If you had a balance, it has been transferred to your new card. If you don't have a balance, you won't get a new card until you win some scrip. If you forget your card, the staff should be able to look your account up at any register. If you have any questions, please contact Tina in the office.

Thank you all for all your participation and helping make El Prado Men's Club the best.

Gil Vicario, President

Back to Normal in Bunkers

We are no longer lifting and placing the ball in the bunkers – it's back to normal – play it as it lies. Of course, this means it is even more important to rake the bunker when you leave it.

Lift Clean and Place

We are still playing preferred lies. **Within the general area, you may lift, clean, and place the ball once, within one club-length, no nearer the hole.** We will return to playing the ball as it lies (down) as soon as we feel conditions allow.

Tournament News

We kicked off the new tournament year with 100 players competing in 2 Man Better Ball. We paid out \$3,970 to 32 of the 50 teams, so it was a good start for many players.

We had some confusion with multiple flights on the closest markers, so sorry about that. We're working on getting some custom cards to make it easier in the future.

When you go to the [web site event page](#) to see results, you may notice it only shows the "current" 2022 season. I know some of you like to look at what the scores were in previous events, so there is a Results (Golf Genius) link for last year on the Archives page.

The new season means the beginning of a new TOP 25 list. There are already some familiar names near the top, but there are also many new names. The good news for everyone is that we have 203 members tied for 27th, within \$155 of first place, so there is hope for all. Let's see who hangs in there through the months!

We have had some requests to publish tournament tee times earlier in the week. If we do this, it means no late signups, and no changes on the tee sheet, but the board will discuss it.

November's tournament is Individual Low Net. No partner to lean on, so consistency will be important. Signups for a guaranteed spot close November 6, or November 13 if we have room. Signup by emailing Doug at dbenc@ap.org. We will publish the roster of signed up players on the Wednesday before the tournament, and release pairings by Friday.

Derby Results

We had 12 players for the October Derby, which meant 6 blind draw hi/lo teams for the 5-hole alternate shot horse race. First place and \$80 went to Lance Ford/Danny Ortiz. Second with \$50 were Kevin Knudson/Dave Cox; and third with \$30 were John Ford/John Van Asch. This was our last derby of the year and everyone had a great time. We will start up Derby again in the spring when we will again have enough daylight to finish.
