A Note from Rick: It was a good week for markets at TLA. We had our June Special Feeder Sale on Tuesday and we had a good selection of Holstein replacement heifers that sold very well. As a whole, the heifers ranged from \$.90 to \$1.00/lb. We didn't have very many steers to offer, so I'd call that market untested. Slaughter cows were very strong on Tuesday as well. This market has slowly crawled back up to what I would consider to be very good prices. This, along with the continued climb of milk future prices on the CME, are giving the Dairy producers a light at the end of the tunnel. We had a great 3 day Riding Horse and Pony Sale in conjunction with J&S Auctions. We had a lot of great consignments to offer and the sale went very well. It's been rough having to reschedule and cancel so many of the sales that we had planned this Spring, but for the most part our patrons have been great to work with and very understanding. We'd like to thank everyone for their cooperation and we are excited about being able to stay on schedule moving forward. Hope to see you at TLA!
