ONE DOUBLES
Your Team + Your Schedule = More Fun

Want to play tennis in a league this summer that offers competition, flexibility, and fun?

Then check out the USTA Pacific Northwest One Doubles League where teams require just a minimum of two players (maximum of four). Teams also schedule their own matches at their convenience at the local tennis courts of their choice.

Levels of play in the 2014 One Doubles League are 2.5, 3.0, 3.5, 4.0 and 4.5 in men's or women's divisions for adults age 18 and older. All players must be USTA Members and are required to have a self-rating or computer rating at or below the level they wish to compete. Local leagues are formed by doubles teams of the same level.

Local league play will begin this May and run through the summer and a USTA/PNW Sectional Championship (Sept. 20-21 in Yakima, Wash.) will be held at the end of regular season play for those teams who qualify.

Please contact Dana Griffin, Alaska Area League Coordinator, for more information or to sign-up your team.
