FREE car wash included with your inspection!

FREE vehicle safety check for Seniors (60 years and older).

Kishwaukee College Automotive Technology instructors and students will conduct a 25-point safety check on your vehicle. This will be done FREE OF CHARGE. Check list includes fluids, tail lights, belts, hoses, tire pressure, and more!

Find out if your car is in tip top shape or if it needs a little bit of attention. **No repairs or oil changes will be conducted.**

This is a great hands-on experience for the KC students and helps them learn to interact with "customers".

Automotive instructors will be on hand for guidance.

Your Safety check will take approximately 20 minutes.

Enjoy free snacks and a beverages while you wait!

Review the results of your vehicle's checklist with the student and instructors before you leave.

Get informed about any mechanical issues with your vehicle.
