ADDENDUM #2

QUESTIONS:

1. On 1.2C1b it says to replace inside and outside corners. The existing inside and outside corners are actually 1x4s or 1x6s wrapped in metal trim. Do we leave those alone or remove the metal and install new metal trim on the 1x4s and 1x6s?
ANSWER: No metal trim will be replaced. Existing remains.

Please note that the revised bid date has not been changed and remains January 22, 2019.
