God Bless America

September 2019

Post Commander

September is here and the summer is fading. I hope everyone had a great and productive summer especially since we had such a wet spring. We hope to have nicer weather for the fall sportsman raffle than we did for the spring. Al Purdy has been doing a great job with this raffle. These are our most productive raffles and there are plenty of tickets left.

We just had another meat raffle, everyone involved said it was a great time. Thank you to Kevin for heading this up and everyone who helped with the kitchen, prizes and ticket sales. The kitchen is looking great, thanks to Ray and everyone who is pitching in. It will soon be open and serving fish fry's and Tuesday night dinners. Everyone is looking forward to our kitchen operations resuming as they miss the good food and great deals.

Ray McCormick did a great job with the annual fishing derby. All the kids had a great time and the parents really appreciate that we do this.

Recently I was in the North Country and I heard on the news that many towns are having a hard time recruiting volunteer fireman. I hear more and more about many organizations, including ours, that have membership in decline. Its up to us to get the word out on what our organization does for veterans and the community. We have plenty of Ely-Fagan brochures on hand, if you need some let us know. Be sure to talk with everyone you meet about the benefits veterans and their families receive due to the efforts of The Legion. Also, be sure to let people know about the sons and auxiliary, many people are eligible to join but don't have the knowledge.

On another note, the Honor Guard has picked up a few new members, they still do quite a few funerals each month. On many occasions they have to split the group in order to conduct simultaneous funerals at different locations. If you know of anyone who would be interested, they can contact the commander at 585-704-3930.

Auxiliary President

Greeting from National Convention. As of the writing of this, opening ceremonies haven't started. However, that doesn't mean we haven't been busy. I was fortunate to be able to tour our new National Headquarters. What a beautiful building and a great preservation of our 100 years of service. After that, it was on our way to pre-convention meetings, Eastern Division Caucus and NY Dept Caucus.

I am happy to say that NY was definitely shining at the pre-con meetings. We had national winner in the Americanism essay contest and two in the poppy poster contest. The Department of NY won eastern Division Best Department report in Americanism, Community Service, Poppy, PR and VA&R. The Department also won Eastern Division Military Spouse E-Mentor Award. Unit 410 won Best Unit Award for their Children and Youth report.

Ladies, there is no reason that our unit couldn't win an award or two. We need to really focus this year on tooting our horn and reporting all of the wonderful work we do!!! I know you ladies do a lot of work. If you don't report it to me or our chair people, we can't report it!

As we enter our 100th year, there are many changes in store for our organization. To quote Albert Einstein, "The world as we have created it is a process of our thinking. It cannot be changed without changing our thinking." The same can be said for our organization. A change in our thinking will be required so that our wonderful organization will be around to celebrate it's 200th year.

September Meetings

The Executive Committee meets September 4 at 7 pm. Rice-Hallick VFW Post meets at 7 pm September 10. Sons of the American Legion meet at 6:45 pm September 11. American Legion Auxiliary meets on September 25, 2019 at 6:00 pm for the annual potluck dinner and the regular meeting at 7:00 p.m.

VFW Commander

As of the last election I am the new commander. Thank you to Joe Jakus for his effort and time as our past commander. He is now our post service officer and will continue to serve us well.

I look forward to supporting our members and the post. Our post continues to support veterans and the community in great ways and all our members should be proud of the work we do.

This past August Dan Lindsay and I travelled to Albany for the annual Officers Training Institute (OTI). It was quite informative and I learned a lot about the VFW. I met many members from throughout the state who are working hard to maintain membership and continue to work on behalf of veterans.

Dan Lindsay is doing a great job as our quartermaster and we miss Kevin Woodbury as our past Adjutant. Kevin moved and the position is now vacant if you are interested.

As many of you know, we have relocated to the American Legion Post on Middle Road. They have numerous dinners, raffles and other events going on throughout the year. Please feel free to stop in anytime, this is also now our post home.

I hope to see you at a meeting or just enjoying an event at the post!

In Comradeship

Chicken Legs

I went to Walmart and grabbed a package of chicken drumsticks and took them to the cashier. Handing them over, I asked the young lady if she knew if they were front legs or back legs. She looked all over the package for an answer. Not finding one, she asked me to wait while she checked with her supervisor, and she took the drumsticks and left. She came back several minutes later and I and the others in line were laughing hysterically. "Not funny" she said.

Boxing Champ Rocky Marciano (1923-1969) was born in Brockton, Massachusetts (as Rocco Francis Marchegiano). He fought Jersey Joe Walcott for the heavyweight title on September 23, 1952 and knocked him out. In 1956 he retired as the only undefeated heavyweight champion. He died in a plane crash in 1969.

"If I"

If I could go back and undo
Some wrongs I've done along the way,
And know that wounds that I have caused
Were healed of all scars today.

If steps I've caused someone to take
By thoughtless ways in which I've trod
Have led to a confused estate
Instead of simple trust in God.

If someone still wanders on
Who followed my unsteady track
And lost his way for lack of light
Because my lantern globe was black.

If I could gather up and bind
The wasted years I have spent,
And treat them as they'd never been
Today I'd be much more content.

I'm pardoned from my undone past-
But even so the hurt is done,
For out there somewhere in the dark,
A soul is lost I might have won.

This newsletter came in at 7 pages. For an electronic mail item, that isn't a problem, but for hard copy mail, it is a problem because the post will pay for the sheet of paper whether it has anything printed on it or not. So when you see a bunch of non-sensical gibberish, rest assured I am either losing my mind or trying to fill in a blank space.

Sometimes we expend more energy trying to find reasons why we can't do something than it would take just to do it. Sometimes you're going to fail. Realizing that is part of growing up. Everyone falls down; it is whether or not you get up that counts.

We have spent quite a bit of money on upgrades and maintenance during the past month. The crown jewel is our new "inverter" heating & cooling system, or "heat pump, in the hall. Stop in and see it, maybe buy a meal or attend a meeting while you're at it.
