Gap Year Student Agreement

I understand that although I will have graduated from high school in Arizona before the start of my exchange, I will be expected to attend high school in my host country while on exchange. I agree that if I do not make sufficient effort to make progress in school, or to learn the language of the host country, I will be subject to early termination of my exchange.

We have discussed the issue with our student, we and our student acknowledge and understand our responsibility and commitment to the RYE program, including the school and language commitment, and hereby agree to the same. We understand that if our child is sent home early, for this or any other violation of rules imposed by Rotary or the host country, we may be charged extra by the airline for changing the return ticket.
