An opportunity for members of the public to address the Board on items of interest that are within the Board’s subject matter jurisdiction, and are not otherwise posted on the agenda. No members of the public were present.

APPROVAL OF JULY 25, 2019 MEETING MINUTES:
Trustee Manning moved to approve the meeting minutes. Trustee Smith-Woods seconded the motion. The motion passed unanimously.

APPROVAL OF EFT’S AND WARRANTS FOR A TOTAL OF $183,202.62: Manager Kratz explained the higher than normal total due to another vehicle purchase and yearly liability/workers compensation insurance. Trustee Ancheta moved to approve EFT’s and Warrants. Trustee Gantenbein seconded the motion. The motion passed unanimously.

APPROVAL OF REQUISITION NO. 1697 FOR A TOTAL OF $150,000: Trustee Ancheta moved to approve the requisition. Trustee Gantenbein seconded the motion. The motion passed unanimously.
FIELD SUPERVISOR MONTHLY REPORT: Kevan reported on the following:
- The pool teams continuing to work on bad pools identified in the aerial fly over. We are getting a pretty positive response from residents, only a handful have been turned over to Code Enforcement officers because of non-compliance.
- The mosquito fish program has improved and up and running. We have enough fish currently to begin stocking basins and other water sources. We have also been giving out fish to the public for ponds, fountains, water troughs, etc.
- Since the detection of the invasive Aedes mosquito in west Lancaster (30th St W & Ave L), the Lancaster pool team has been going door to door in that neighborhood to educate residents on what they can do to help prevent this mosquito from breeding. They are also leaving door hangers with information.
  Karen provided more information on the Aedes mosquito activity and the surveillance we are doing (traps, door to door efforts).
- Since Brenna was unable to attend the meeting due to her attendance at a Jet Hawks event, Karen provided the board with a list of all community outreach events Brenna has organized and/or attended this year.

UPDATE ON INFORMATION REGARDING PRE-FUNDING RETIREMENT: Manager Kratz explained that CalPERS has set up a trust to allow employers to prefund contributions. The estimated risk tolerance is expected to be low to medium, and this is consistent with the purpose of the trust. Risk levels are expected to yield a net investment return of 4% and 5%. It charges a low annual investment fee of 25 basis points. Its overall goal is to improve retirement security for active employees and retirees. Anthony Bruneau, CPA, Cobb Doerfler, will be assisting us in obtaining more information and definitive numbers to present to the board.

APPROVAL OF RESOLUTION NO. 2019-05 – AUTHORIZING THE EXECUTION OF A MOU AND AUTHORIZING PARTICIPATION IN THE SDRMA HEALTH BENEFITS PROGRAM (ANCILLARY – DENTAL/VISION): Revisions have been made to the MOU originally signed by the district when acquired dental/vision coverage with SDRMA. Manager Kratz explained the changes are mainly within the verbiage of the document. There have been no changes to costs or coverage. Trustee Ancheta moved to approve the resolution. Trustee Manning seconded the motion. The motion passed unanimously.

DISTRICT MANAGERS MONTHLY REPORT INCLUDING LEGISLATIVE REPORT:
- Signage has been completed on the Community Outreach Specialist district vehicle – a picture was presented to the board.
- We will be meeting with Lancaster Code Enforcement in October to give a presentation on our procedures as well as how we can work more effectively together in effort to combat bad swimming pool issues, ex: gaining access to properties.
THE NEXT BOARD MEETING IS SCHEDULED FOR SEPTEMBER 26, 2019 AT 4:00 PM AT THE DISTRICT OFFICE.
