

Powerful Virtual Terminal — Online, Anytime

TSYS WebPASSSM lets your merchants accept card payments from Card-Present and Card-Not-Present customers.

E-commerce now accounts for more than \$394 billion of business in the U.S.¹ And that number is only going to grow. To stay ahead of the curve, your merchants need an online payment processing solution that's powerful, flexible and scalable. They need WebPASS.

WEBPASS CAN HELP YOUR MERCHANTS INCREASE THEIR ONLINE BUSINESS WITH CONFIDENCE. THEY CAN:

Accept Visa®, Mastercard®, Discover® and American Express® credit and signature debit cards at the same rate*

Maintain PCI compliance for even more security, as well as adherence to industry regulations

Securely process card transactions in real time on any internet-connected PC

Process online without adding more hardware or storing customer data on your merchants' own equipment

PLUS, YOU GET:

- Automatic batch processing
- Support for V-code and address verification code
- Customizable daily dashboard reporting
