Dear Compatriots and Friends of the Swiss Club,

It is time again to celebrate the birthday of Switzerland! With many thanks to our generous sponsor, Kathy Wofford, we are fortunate to be able to have our party again at the Family Center of the Carolina Country Club. And to make this fun evening even more festive, Deb Bridges and Groove will be returning to play for us again!

The typical August 1<sup>st</sup> Fest-Menu will again consist of grilled Bratwurst and Savelat, European bread, and cucumber and tomato salad. For thirst quenchers, we will have European beer from a keg, red and white wines and soft drinks.

As always, we would like to ask the ladies to surprise us with one of their delicious desserts, pre-sliced please, and one that does not require refrigeration.

Let's hope for cool and nice weather, we will celebrate rain or shine.

We would like to welcome a big number of participants and look forward to seeing you there!

Hans Peter, Nicky, Tomeka, Rita, Peter and Kurt
