Join the Mo-Kan Chapter for our exciting November 14 event! We live in a highly traumatized culture. Not only do we experience trauma as a result of things that are done to us, but with technology we see first-hand the atrocities that happen around the world. As women, mothers, businesswomen, we have the privilege of using the gift of hospitality to benefit not only those in our homes but also those in our workplace.

Misty has witnessed and utilized the gift of hospitality to bring healing to her own family. She has extended this hidden treasure to bring life-long change to countless families both here and abroad.

Misty Honnold is the President and Founder of the international Organization Mountain of Myrrh Ministry (M.O.M.). She has been the Visionary Leader of the local expression of M.O.M., The Single MOM KC. As a single mother of four, her greatest life work has been loving and leading her family well. Because of her parenting experience and community engagement, churches, organizations, and other single mothers have consistently sought out Misty for discipleship, advice, and inspiration.
