## USE YOUR VOICE AND CHOICE!

This breakfast is open to family members, youth, peer family support providers, educators, service providers, community leaders, and anyone else interested in children and youth with mental health challenges and developmental disabilities.

Youth voice and choice!

Family Voice and choice!

Everyone has a voice – here is an opportunity to USE it!

Just like any other illnesses, mental illness and developmental disabilities are nothing to be ashamed of, but STIGMA shames us all!
