Mike Bowler reported that some members change balls when they get to the green. This is against the rules. The ball that is teed off has to be the ball putted out. unless lost.

Dave Allison suggested some ways to speed up play; 1) pick-up a putt inside the leather, 2) club in- club out, 3) record your score at the next tee, 4) after you tee off, put your driver in the bag at your next shot, 5) play ready golf, don't wait for the farthest away, 6) don't spend so much time looking for lost balls, PGA rules next year is 3 minutes. Mike Bowler suggested the passenger not the driver keep score.

Next meeting is 10-25-18.
