RECOMMENDED SUPPLY LIST (FOR PRIVATE PILOT)

Item	Description
Pilot Logbook	NEEDED standard item in the industry to log your flights.
E6B Flight Computer	The E6B flight computer is used to aid flight planning, etc.
Plotter	Used for cross country flight planning.
Headset*	You can borrow a pair of Don Davis Aviation headsets until you find the kind you like. Headsets are not a cheap investment.
Flight Bag*	Keeps your headset, books, E-6B, maps and plotter in one bag. These are different than duffle bags as they have compartments easily accessible for flight gear.
Kneeboard*	Used to organize maps, checklists and even iPads with straps and is placed just above your knee.

Book Name	Free PDF
Pilots Handbook of Aeronautical Knowledge	https://www.faa.gov/regulations_policies/handbooks_manuals/aviation/phak/
Airplane Flying Handbook	https://www.faa.gov/regulations_policies/handbooks_manuals/aviation/airplane_handbook/
