Thank you for your letter, and for the testimony of your sons. Typically, you would need to find a sponsor for the bill that is on the committee with closest jurisdiction...in this case, it would be the Health Care Committee. Links to those members can be found at this page on Access WA:

I made a similar choice as yours for my son 27 years ago. If anything, I think the public information on this issue has diminished since that time. Good luck in your efforts.
