

Waste In Time

Disposal Service

Serving Lebanon
717-892-8128

We do our best to keep our customers happy with our services, so here are a few informative points that will help keep everything running smoothly. As you know we have VERY competitive rates, so in order to maintain these rates we may require additional billings for additional services that are not part of your daily residual waste.

- You may use garbage cans or trash bags for your trash pickup. If you use a trash can or toter, the **limit of up to 5, thirty-two-gallon bags per week** still applies.
- Additional bags are permitted if you purchase tags through our office at \$1.00 per tag. Tags are sold in sheets of 10.
- **Put your trash out on Sunday Evening.** Our workday starts very early and we don't always follow the same driving pattern, so putting your trash out the night before assures we get you picked up. Service is on Monday mornings unless there is a Holiday on Monday, in which case service is on Tuesday.
- **Please make sure your trash is where our crew can easily see it.** Don't place behind trees, cars or bushes.
- **NO HOT ASHES!** We will not take hot ashes. Once they are completely cool, place them in a bag and put them out with your usual trash.
- **Bulk or heavy items**(over 35lbs) such as Furniture, Appliances, Mattresses require an additional cost. Please call in advance to arrange these items to be picked up. Payment for these items must be made prior to or at the time of pick up.
- DEP Regulations prohibit us from taking any Hazardous Materials such as Paint, Oil, Chlorine, Antifreeze. If we see these items in your trash, we will neatly remove them and place where your trash was set out for pick up. You can contact Greater Lebanon Refuse Authority (717-867-5790) for disposal of these items.
- Recycling goes out the same day as your trash. Please place your recycling in its own bin next to your trash, or in white bags separate from your trash. Windy days can make your recyclables "catch some air". Make sure they are weighted down or covered so they don't get tossed all over the neighborhood.
- Yard Waste such as grass clippings will be picked up in moderation (1-2 **bags** weekly NOT TO EXCEED 35LBS EACH). **Grass Clippings must be bagged, or they will be left behind!** DRY Bagged leaves and small bundles of twigs or sticks will be picked up in moderation (1-2 bags per week). Please call us in advance prior to having large quantities of any yard waste out for pick up. We have Yard waste tags to purchase for \$2.00 each if you plan on putting more than the 2 allowed bags out in any given week. However, it is recommended that you follow the North Cornwall Township yard waste collection schedule for yard waste and leaf collection.
- Construction materials such as 2×4's, drywall and carpet will most likely require additional billing. Please call us in advance if you have these items to be picked up to see if additional billing is required.

· Have questions?? We're here for you! Give us a call and we will assist you.

The Recycling Myth

A common misconception people have about recycling is they think it means placing items in their recycling bin—often, as much as possible. However, recycling is a system of collecting and processing used materials that still have value, in order to transform them into new products. This means that not everything is recyclable. And just because a product has a recycling symbol on the bottom does not mean that it's recyclable. So, why is it important to debunk the recycling myth? Though most of us are well-intentioned, when we put materials in the bin that don't belong, we're contaminating the recycling stream, which negatively impacts our environment and economy. We need your help to recycle right!

What Can Be Recycled?

Only the following materials can be recycled. Think of them as the "Big 4". Everything else should be placed in your trash. If you aren't sure, remember this phrase: **"When in doubt, throw it out!"** LCSWMA will transform discarded waste into renewable energy.

CORRUGATED CARDBOARD:

This includes any size material consisting of a fluted corrugated sheet, like **shipping boxes, packing boxes, CLEAN pizza boxes (no grease or food remnants)**, etc. Flatten all boxes and remove packaging including Styrofoam, peanuts, bubble wrap and plastic liners. **Do NOT put paperboard (cereal boxes, shoe boxes), newsprint or junk mail in the bin.**

PLASTIC BOTTLES AND JUGS:

This includes plastic bottles, jars, jugs and anything else with a neck. Throw away the lids and rinse out any residue. All other plastic material is considered trash. Ignore the numbers, as they don't indicate if something is recyclable. Do NOT put plastic bags, toys, buckets, packaging, Styrofoam, hosing, furniture, or other plastic items in the bin.

METAL FOOD AND BEVERAGE CANS:

This includes all food and beverage cans made from aluminum or steel. Throw away the lids and rinse out any residue. Do NOT put metal hangers, cooking pots and pans or other scrap metal like foil and pie plates in the bin.

GLASS:

This includes clear, green, and brown glass bottles and jars. Throw away the lids and rinse out

any residue. Do NOT put light bulbs, dishes, glassware, window or automotive glass, vases, or any other glass material in the bin.

NEWSPAPER: (Lebanon County Only)

We will take dry newspapers in your recycling bin for Lebanon County Customers only. No junk mail, however.

Visit earth911.com for a list of locations that accept a variety of other recyclable materials.

**Serving Lebanon
717-892-8128**

Regular trash pickup is on Monday mornings. However, when a Holiday is on a Monday, pickup will be on Tuesday. Here is a list of 2022 Holidays that fall on a Monday that will affect the collection schedule at Creekside:

2022 Holiday Pickup Schedule

Memorial Day (Monday 5/30/2022) - Trash collected on Tues, May 31, 2022

Independence Day (Monday 7/4/22) - Trash collected on Tues, July 5, 2022

Labor Day (Monday 9/5/2022) - Trash collected on Tues, Sept 6, 2022

All other Holidays (Thanksgiving, Christmas, and New Year's) do not affect The Villages of Creekside Monday morning trash pickup.

Please put receptacles out on Monday evening during these weeks.

Thank you!

Please be kind to the Waste in Time Staff and workers. Occasionally mistakes are made. Please call us to report them and we will do our best to resolve the issue.
