October 5, 2011

To the Sherburn and Welcome City Councils,

The department logged 117 calls for the month of September. This brings the year's total to 1022 as of September 30, 2011. This is the highest number of calls at this point in the year that the department has had. October has started out just as busy, so I don't believe things will be slowing down any time soon.

In speaking with the current users of E-charging, there are some minor glitches in the system that still need to be worked out. I have stalled on implementing this system until all of the issues are resolved. We are also waiting for the software from the state that will allow the department attorney to complete their end of the process. My hope is this will all be up and running in the near future.

Homecoming went well this year. There were no issues of any significance to deal with and the events were all well attended. The department provided an officer at the school each night to ensure no issues arose at the school.

The web-site will be up in the next week or so. I am currently waiting on the pictures to come back from the photographer that I plan to use. Once I have those, I will place them on the web-site and publish it.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes".
