(Deposition Exhibits No. 453 through 470 were  
marked for identification.)

VIDEOGRAPHER: This is the videotaped deposition  
of Mark Sifferman, taken by the plaintiff in cause number  
CV2017-013832, styled Peter Davis, as receiver of DenSco  
Investment Corporation, versus Clark Hill, PLC, et al.,  
filed in the Superior Court of the State of Arizona, in  
and for the County of Maricopa.

Today is August 31st. The year is 2018. The  
time is 9:32 a.m. Our location is 2929 North Central  
Avenue, Phoenix, Arizona.

Kelly Oglesby is the certified shorthand  
reporter with JD Reporting, 1934 East Camelback Road,  
Phoenix, Arizona; and Mary Onuschak is a certified legal  
video specialist, with Legal Video Specialists, 3033 North  
Central Avenue, Phoenix, Arizona.

Counsel may state their name, firm, and whom  
they represent, beginning with plaintiff's counsel,  
please.

MR. STURR: Geoffrey Sturr, Osborn Maledon,  
representing the plaintiff.

MR. DEWULF: John Dewulf, Coppersmith

MARK SIFFERMAN, 8/31/2018

1 Brockelman, representing defendants Clark Hill and David  
2 Beauchamp.

3 VIDEOGRAPHER: You may swear the witness.

4  
5 MARK SIFFERMAN,  
6 called as a witness herein, having been first duly sworn,  
7 was examined and testified as follows:

8  
9 EXAMINATION

10  
11 Q. (BY MR. STURR) Good morning, Mr. Sifferman.

12 A. Good morning.

13 Q. We are here today to take your deposition  
14 relating to some time you spent at Clark Hill.

15 You are an attorney?

16 A. Yes, I am.

17 Q. How long have you practiced?

18 A. 37 years.

19 Q. What years were you at Clark Hill?

20 A. From 2009, January 1, 2009, through March 31,  
21 2017.

22 Q. And where were you practicing before that?

23 A. At a firm that at the end was called Norling  
24 Kolstrud Sifferman & Davis. Originally it was called  
25 Norling Perry Pierson & Kolstrud.

MARK SIFFERMAN, 8/31/2018

1 Q. Did that firm merge into or was it acquired by  
2 Clark Hill?

3 A. The assets of Norling Kolrud were acquired by  
4 Clark Hill.

5 Q. And in the years that you were at Clark Hill,  
6 approximately how large was the office here in Scottsdale  
7 in terms of attorneys, number of attorneys? Excuse me.

8 A. Correct. Maybe at the beginning 15, growing to  
9 about 25, if not 28.

10 Q. What roles did you have within that office apart  
11 from practicing law? Did you have any management role?

12 A. Yes, I did. I was associate general counsel.

13 Q. Were you associate general counsel for the  
14 entire period?

15 A. I don't believe so. I believe that appointment  
16 occurred in 2010.

17 Q. Was there another person in the office who was  
18 the office managing partner or had some similar role for  
19 the Scottsdale office?

20 A. There was no one who had a position like  
21 associate general counsel. I think that was done  
22 firm-wide in 2010. There had always been a, I guess what  
23 they call partner in charge, but that had nothing to do  
24 with associate general counsel.

25 Q. And who was the partner in charge in, let me

MARK SIFFERMAN, 8/31/2018

1 focus just on the years 2013 to 2017?

2 A. Darrell Davis.

3 Q. And what's the -- what is the role of the  
4 partner in charge, broadly speaking?

5 A. To handle any management issues from personnel  
6 or organizational issues.

7 Q. Okay. Tell me a little bit about your practice.  
8 What areas of law do you practice in?

9 A. I term myself a commercial litigator. Primarily  
10 my work is in the real estate, real estate finance,  
11 business organization, business disputes areas.

12 Q. And I'm not going -- I know you are familiar  
13 with deposition practice, so I won't ask you any questions  
14 about that, other than to say are you feeling well today?  
15 Are you having any health issues or taking any medication  
16 that would affect your ability to testify today?

17 A. I'm feeling fine today, and there are no  
18 conditions or medications that would affect my testimony  
19 today.

20 Q. Okay. Well, I know your time is valuable, and I  
21 will try to be as efficient as I can today.

22 Where are you practicing today?

23 A. The Sifferman Law Firm, PLC.

24 Q. How many lawyers do you practice with?

25 A. There are two members of that firm.

MARK SIFFERMAN, 8/31/2018

1 Q. And you are engaged in your commercial  
2 litigation practice?

3 A. Correct.

4 Q. Okay. I know from personal experience and from  
5 doing a little research that you have experience in  
6 professional responsibility matters. Mr. Sifferman, you  
7 once served as a hearing officer for the Supreme Court  
8 Disciplinary Committee.

9 Am I correct?

10 A. I -- I have been involved in the attorney  
11 disciplinary system for approximately 25 years. I'm  
12 currently in the pool of attorney volunteers for the  
13 disciplinary hearing committee.

14 Q. Right. And I'm sure you have forgotten this,  
15 but you were once a settlement officer in a discipline  
16 case, you did a fine job, that I was involved in.

17 I can assume from that, those years of  
18 experience in handling discipline matters, that you have a  
19 substantial knowledge about the rules of professional  
20 conduct that govern lawyers practicing in Arizona?

21 A. I don't know if I would say substantial. I am  
22 familiar with the rules, and some rules more than others.

23 Q. Okay. Apart from that experience as a hearing  
24 officer or working within the disciplinary system, have  
25 you had any other -- have you had any training or

MARK SIFFERMAN, 8/31/2018

1 experience on matters involving lawyers' professional  
2 liability?

3 MR. DeWULF: Object to form.

4 THE WITNESS: During the years pre-Clark Hill, I  
5 was the one in charge of arranging for personal --  
6 professional liability insurance and gained some knowledge  
7 through that, but I'm not sure that's what you are asking  
8 me.

9 Q. (BY MR. STURR) Let me -- let me restate the  
10 question.

11 Over the years that you were at Clark Hill  
12 serving as associate general counsel, did you have the  
13 opportunity to receive training, whether through formal  
14 CLEs or informally, on risk management practices for law  
15 firms?

16 A. I might have. I don't remember.

17 Q. Okay. What have you done to prepare to testify  
18 today?

19 A. I met with Mr. DeWulf a week ago Tuesday for a  
20 couple of hours. And other than trying to get a good  
21 night's rest, that's all I've done.

22 Q. When you met with Mr. Wulf -- Mr. DeWulf, did  
23 you review any documents?

24 A. I did.

25 Q. Were they provided to you by Mr. DeWulf?

MARK SIFFERMAN, 8/31/2018

1 A. Yes.

2 Q. Can you describe generally what you reviewed?

3 A. There were some emails that I was copied on.

4 There was a Declaration of David Beauchamp that was  
5 submitted in connection with the receivership case. I  
6 believe that is it.

7 Q. Before Mr. Dewulf contacted you about this  
8 deposition, before that meeting with Mr. Dewulf, and from  
9 the time period since you left Clark Hill in March of  
10 2017, have you had any contact with Mr. Dewulf or anyone  
11 else at the firm about this lawsuit?

12 A. Yes, I have.

13 Q. Without revealing the substance of any  
14 communications you had, can you tell me with whom you had  
15 communications and when?

16 A. I have had telephone conversations with Ed Hood,  
17 who was general counsel for the firm, and I had telephone  
18 calls with Mr. Dewulf.

19 Q. And on how many occasions can you recall having  
20 telephone conversations with Mr. Hood?

21 A. I believe two.

22 Q. Do you recall roughly when those were?

23 A. One was, I believe, in April of 2017, and then  
24 the next one could have been that month or May.

25 Q. of 2017?

MARK SIFFERMAN, 8/31/2018

1 A. Correct.

2 Q. Okay. And you haven't had any communication  
3 with Mr. Hood since then, that you recall?

4 A. No, I have not.

5 Q. To your -- were you ever asked to review or  
6 comment on any disclosure statements served by Clark Hill,  
7 by the defendants in this case?

8 A. No, I have not.

9 Q. Did you know Mr. Beauchamp before  
10 September 2013?

11 A. I met him when he was interviewing with the  
12 firm.

13 Q. And that's the first time you met him?

14 A. Correct.

15 Q. Did you have, apart from -- what was your role  
16 in the process through which Mr. Beauchamp came to Clark  
17 Hill?

18 A. I was just one of the people in the Phoenix  
19 office who interviewed him, and I may or may not have  
20 provided some comments.

21 Q. Okay. Did you have any role as assistant  
22 general counsel in the process of, for lack of a better  
23 word, vetting Mr. Beauchamp to see if he would be a good  
24 fit for Clark Hill?

25 A. As general -- as associate general counsel?

MARK SIFFERMAN, 8/31/2018

1 Q. Yes.

2 A. No.

3 Q. Okay. Did you have any role at all, whether  
4 associate general counsel or otherwise, in, for lack of a  
5 better word, some people use the word on-boarding when  
6 someone comes into an organization, in working with  
7 Mr. Beauchamp when he joined the firm?

8 A. I'm not familiar with that term.

9 MR. DeWULF: Geoff, can I just ask a question?  
10 I notice it looks like the phone system is on. Is there  
11 someone participating by phone, or am I just misreading  
12 the lighting?

13 MR. STURR: It's just the red dots are on.

14 MR. DeWULF: Okay.

15 MR. STURR: The phone is not on.

16 MR. DeWULF: Okay. Good. Thanks.

17 MR. STURR: This isn't that interesting.

18 THE WITNESS: I'm sorry.

19 MR. DeWULF: Don't be offended.

20 Q. (BY MR. STURR) Did you have -- I'll move on to  
21 another topic.

22 Did you have any -- apart from any  
23 communications you may have had with Mr. Beauchamp in your  
24 role as assistant general counsel, did you have any  
25 working relationship with him? Did you work on any

MARK SIFFERMAN, 8/31/2018

1 matters together with him?

2 A. Yes, I did.

3 Q. What types of matters did you work on with  
4 Mr. Beauchamp?

5 A. There was a matter where his clients were two of  
6 three members of a limited liability company, which was  
7 having a business divorce, and the clients had been sued  
8 by the third party, third member, and I worked on that  
9 case with David. David had some of the client contact, he  
10 had client contact in the beginning. He also provided  
11 some information during the -- during the case.

12 There was another matter where David's client  
13 was either in bankruptcy or was purchasing a company that  
14 was in bankruptcy, and I handled -- I assisted on a  
15 contested matter hearing in bankruptcy court in that case.

16 And I think that's -- those are the only two I  
17 can think of.

18 Q. Okay. Did you have a personal relationship with  
19 him? Did you socialize outside the office?

20 A. I socialized with him a little bit.

21 Q. What do you mean "a little bit"?

22 A. We went to see Lewis Black together. I went to  
23 a birthday party that his wife held for him. Other than  
24 that, I think we had lunch a few times.

25 Q. Okay. Have you had any contact with him since

MARK SIFFERMAN, 8/31/2018

1 you left Clark Hill?

2 A. No, I have not.

3 Q. Okay. Tell me a little bit -- I'm going to have  
4 you look at this document that we have received, which has  
5 been marked as Exhibit 453.

6 MR. STURR: John, I would have written on it,  
7 but some people don't like people writing on exhibits. So  
8 that's Exhibit 453.

9 MR. DeWULF: So you know, I don't mind that, but  
10 do you mind if I -- when I'm doing depositions?

11 MR. STURR: No.

12 MR. DeWULF: Would you rather mark it?

13 MR. STURR: I don't mind.

14 MR. DeWULF: We are going to spend some time  
15 together. We might as well figure out --

16 MR. STURR: I think so.

17 Q. (BY MR. STURR) Mr. Sifferman, Exhibit 453 is a  
18 document we have received from Clark Hill, and it's a --  
19 it's captioned Firm Responsibilities and Structure, and  
20 it's dated January 1, 2016.

21 Do you recognize the document?

22 A. I don't know if I saw this exact document with  
23 this date, but I am familiar with documents like this.

24 Q. Okay. And this identified you as the assistant  
25 general counsel for the Phoenix office, correct?

MARK SIFFERMAN, 8/31/2018

1 A. Correct.

2 Q. And was a similar document in existence in 2013  
3 and 2014, if you recall?

4 A. I don't know.

5 Q. But you were designated as associate general  
6 counsel in 2010 you told me, is that right?

7 A. Yes.

8 Q. And were you identified in documents such as  
9 this, if you can recall, as the firm's associate general  
10 counsel for the Phoenix office?

11 A. When?

12 Q. In 2010.

13 A. I don't know. I don't remember.

14 Q. But to -- your memory is you were held out  
15 within the firm as a person who was part of the firm's  
16 general counsel's office?

17 A. Yes.

18 Q. Okay. We also received from, just yesterday  
19 from Mr. Dewulf what we have marked as Exhibit 454.  
20 Exhibit 454 is a document that has time entries with your  
21 name. Some -- some information is redacted.

22 Do you recognize this document?

23 A. Yes, I do.

24 Q. Tell me what it is.

25 A. It is a printout of time entries that -- for my

MARK SIFFERMAN, 8/31/2018

1 time entries that were allocated to Clark Hill legal  
2 services. And there was a number, 09999-010700, where I  
3 would input time.

4 Q. So as your role as assistant general counsel,  
5 you would record the amount of time that you devoted to  
6 that role for timekeeping purposes and presumably for  
7 compensation purposes?

8 MR. DeWULF: Object to form.

9 THE WITNESS: I -- the entry would be -- my  
10 entry of time into this folder would be sporadic. And as  
11 for the part about compensation, I don't know how it  
12 factored into compensation.

13 Q. (BY MR. STURR) Okay. Fair enough.

14 But the firm did have a process for you to  
15 record the work that you performed for the firm in your  
16 role as assistant general counsel, and you would do that  
17 by using this billing number?

18 A. Yes.

19 Q. The records we received relate to time entered  
20 in 2016 and only in 2016. That's all we received.

21 Was this -- were you recording your time  
22 throughout your role as assistant general counsel from  
23 2010 to 2017?

24 A. Very sporadic.

25 MR. DeWULF: Well, let me just clarify. For

MARK SIFFERMAN, 8/31/2018

1 DenSco or for all matters?

2 MR. STURR: Let me restate the question, John.  
3 Thank you.

4 Q. (BY MR. STURR) During the time you were  
5 assistant general counsel, 2010 to 2017, was the -- were  
6 you recording your time for work as general counsel to  
7 this billing number or a similar number, Clark Hill legal  
8 services?

9 A. At the very beginning, I don't remember  
10 inputting time for my services as associate general  
11 counsel. Probably starting in 2015, I started being a  
12 little bit better about inputting time, but it was -- I  
13 didn't capture everything.

14 MR. STURR: Okay. And, John, just so we are  
15 clear, these are the only records, billing records that  
16 you could locate for work that Mr. Sifferman recorded for  
17 work on DenSco issues?

18 MR. DeWULF: Correct.

19 Q. (BY MR. STURR) Did you keep notes in the  
20 assistant general counsel file or records of the work you  
21 performed?

22 A. No.

23 Q. Tell me what your duties were day to day.

24 A. Prime --

25 MR. DeWULF: Object to form.

MARK SIFFERMAN, 8/31/2018

1 Q. (BY MR. STURR) As assistant general counsel.

2 A. Primary, my primary role was to be available to  
3 other attorneys in the office or paralegals who had  
4 questions of a practice or professional aspect. Sometimes  
5 it would be case related. Sometimes it would be  
6 client-intake related. Some -- that's primarily what I  
7 did, was I was available for people to walk down the  
8 hallway and talk to me, or for me to go to them when they  
9 told my secretary that they wanted to see me.

10 There were times when an issue would come up  
11 from the main office, from either Ed Hood or John  
12 Schneider, about some issue, usually perhaps an issue of a  
13 potential conflict with a potential lateral hire.  
14 Responsibilities of file retention was an issue that came  
15 up, because Arizona's rule is a little different than  
16 other rules.

17 So those are -- that's kind of a basic idea of  
18 what I did.

19 Q. Who is John Schneider?

20 A. John Schneider is an attorney. He is listed --

21 Q. I looked and didn't see him. Is he on here?

22 A. On Exhibit 453.

23 Q. Oh, Schneider. There he is.

24 A. John Schneider. I think he is in the Birmingham  
25 office, and he was, at least to my memory, he was kind of

MARK SIFFERMAN, 8/31/2018

1 the backstop to Ed Hood.

2 Q. Did you ever give CLE programs, CLE programs to  
3 lawyers in the Scottsdale office?

4 A. I believe I did.

5 Q. Do you remember any topics that you discussed  
6 with them?

7 A. I believe I gave a CLE presentation on the new  
8 disciplinary system that went into effect in 2010. I gave  
9 some other CLE programs, but they were not -- but they  
10 were practice-group oriented, how to collect on  
11 construction projects, things like that.

12 Q. Okay. Let me hand you what's been marked as  
13 Exhibit 455. Exhibit 455, let me describe it while you  
14 take a look at it, we served a request for production of  
15 documents on Clark Hill, and Exhibit 455 contains the  
16 response, and then the separate documents behind it that  
17 are separated by yellow pages are the documents that were  
18 identified in response to certain requests. I just want  
19 to ask you some questions about this.

20 Request 3 asks for: Policies, procedures, or  
21 other similar written guidance issued to, or accessible  
22 by, Clark Hill attorneys during 2014 relating to  
23 identifying, addressing and resolving conflicts of  
24 interest.

25 And the response identified a document numbered

MARK SIFFERMAN, 8/31/2018

1 13620, and if you go to the second -- if you look at those  
2 yellow sheets, go to the second compilation, you will see  
3 a document that has the Bates number 0013620.

4 Are you there?

5 A. Yes, I am.

6 Q. That document is just, I think it's captioned  
7 Professional Conduct.

8 Do you recognize that document?

9 A. It looks familiar.

10 Q. From memory, are you aware of any other  
11 documents that -- well, let me ask you this.

12 This appears to be an online -- a document that  
13 could be accessible online. I'm only asking that question  
14 because it says "top previous next."

15 Did Clark Hill have a system where lawyers  
16 within the firm could access policies such as this through  
17 an intranet or some internal database?

18 A. Yes.

19 Q. Okay. And this is a policy that's captioned  
20 Professional Conduct.

21 Are you aware of any other policies?

22 A. About anything?

23 Q. Well, the subject of the request was for  
24 policies relating to identifying and resolving conflicts  
25 of interest.

MARK SIFFERMAN, 8/31/2018

1 A. I don't remember any.

2 Q. Okay. This policy says, in the second  
3 paragraph: All attorneys are required to strictly adhere  
4 to the Rules of Professional Conduct promulgated from  
5 time-to-time by the Bar Association of the state in which  
6 they are employed or in which they practice, all ethics  
7 opinions applicable to such individuals and other  
8 applicable rules.

9 Did I read that correctly?

10 A. I believe you did.

11 Q. Okay. And your role, then, I take it, as  
12 assistant general counsel would be to provide guidance to  
13 lawyers in this office as to the Arizona Rules of  
14 Professional Conduct?

15 A. That would be one of my roles, yes.

16 Q. What was -- you said that was one of your roles.  
17 What was your practice in -- in advising lawyers at the  
18 firm about conflicts of interest?

19 MR. DeWULF: Object to form.

20 THE WITNESS: I'm sorry. Can you rephrase that?  
21 It's kind of general.

22 Q. (BY MR. STURR) It is very general.

23 So you -- I think you told me earlier you had  
24 lawyers coming in who would consult with you if they had  
25 questions or concerns about conflicts, correct?

MARK SIFFERMAN, 8/31/2018

1           A.    I don't know if I referenced conflicts  
2 specifically, but lawyers who had issues about what I  
3 would call professional matters would come in, and they  
4 would include potential conflicts, conflict of interest,  
5 yes.

6           Q.    It wasn't -- wasn't a well-framed question, so  
7 let me, I will try again in a bit.

8                   Let me -- the other document we asked about, if  
9 you look at -- back to Exhibit 455, Request No. 4 asks  
10 for: Policies, procedures, or other similar written  
11 guidance issued to, or accessible by, Clark Hill attorneys  
12 during 2014 relating to the termination of a client  
13 representation.

14                   Do you see that?

15           A.    Yes, I do.

16           Q.    It identifies documents numbered 13621 through  
17 13623, and those are the last group of documents attached  
18 to the exhibit.

19                   Are you there?

20           A.    I am.

21           Q.    Do you recognize this policy Resolution of Legal  
22 and Positional Conflicts of Interest?

23           A.    I assume I saw this at some point. It -- I  
24 don't remember seeing it, but I'm sure I probably did.

25           Q.    It -- it -- as I look at it, Mr. Sifferman, it

MARK SIFFERMAN, 8/31/2018

1 doesn't explicitly speak to the policies or procedures  
2 that the firm follows when it -- when a relationship, a  
3 client relationship is terminated. I want to ask you  
4 about that.

5 Did your office have a set of -- a practice that  
6 it followed when a client representation was terminated?

7 A. I don't remember a written policy or procedure  
8 specifically addressing termination of a representation.

9 Q. Would you -- would you agree with me that the  
10 applicable ethical rule for terminating a representation  
11 is Ethical Rule 1.16?

12 MR. DeWULF: Object to form.

13 THE WITNESS: I would always look at the rules  
14 to make sure I knew which one we were talking about.

15 Q. (BY MR. STURR) Let me hand you what's been  
16 marked as Exhibit 456. Exhibit 456 is a copy of Ethical  
17 Rule 1.16, captioned Declining or Terminating  
18 Representation, which could be downloaded from the State  
19 Bar's website.

20 Are you familiar with the rule?

21 A. Yes, I am.

22 Q. And is this the rule that you would look up or  
23 consult in advising a lawyer within the firm about the  
24 steps to be taken when terminating a representation?

25 A. If -- if there was a concern that was impacted

MARK SIFFERMAN, 8/31/2018

1 by this role. I mean, there are other facets of  
2 terminating a relationship that may not be impacted by  
3 this role. I'm not sure why. I mean, sometimes there is  
4 the practical aspects of how to go about obtaining the --  
5 how to get the file released, but, yes, in -- I would look  
6 at this role.

7 Q. Okay. would you agree with me that the rule  
8 addresses circumstances in which a lawyer's obligation  
9 to -- a lawyer is obligated to withdraw from a  
10 representation? I'm referring specifically to ER .6 --  
11 1.16(a).

12 A. Yes.

13 Q. And then the rule also identifies circumstances  
14 in which a lawyer, in subpart (b), a lawyer may withdraw  
15 from representing a client, correct?

16 A. Yes.

17 Q. And the rule -- and there are other  
18 circumstances in which a relationship simply terminates,  
19 comes to a conclusion, and there is no need to address the  
20 rule with respect to withdrawing from a representation,  
21 correct?

22 A. Correct.

23 Q. But in that circumstance, the rule still has  
24 some relevance, because it discusses the lawyer's  
25 obligation to provide access to files.

MARK SIFFERMAN, 8/31/2018

1 Is that your understanding?

2 A. Yeah, I believe that's in subsection (d), but  
3 also in the rule that has to do with client's property.  
4 It's a reference, a more specific reference to who is --  
5 who owns the file.

6 Q. And comment [9] here describes what the client  
7 is entitled to at the conclusion of a representation,  
8 correct?

9 A. Yes.

10 Q. Is it -- is it a good practice to document in  
11 writing when a representation of a client has concluded?

12 MR. DeWULF: Object to form.

13 THE WITNESS: I haven't been retained as an  
14 expert witness, and I would -- I am inclined not to answer  
15 questions that are asking for my opinion, and I think that  
16 does, because I don't know what facts are -- we are  
17 talking about to base that conclusion on.

18 Q. (BY MR. STURR) Did you ever, while you were  
19 serving as assistant general counsel for the firm, advise  
20 a lawyer to document in writing the conclusion of a  
21 representation so there would be a clear record that the  
22 firm's representation had ended?

23 A. I don't remember whether I did or I did not.

24 Q. Okay. Did you ever advise a lawyer at the firm,  
25 when the firm was withdrawing from the representation

MARK SIFFERMAN, 8/31/2018

1 before the conclusion of the work that was anticipated to  
2 be performed, that the lawyer should document in writing  
3 the fact of the termination and the reasons for the  
4 termination?

5 A. I don't remember if I did or did not.

6 Q. If you look at, back to Exhibit 455, Request  
7 No. 1 asks for: Documents reflecting data maintained in  
8 Clark Hill's accounting and/or file management systems  
9 identifying the date on which each matter that Clark Hill  
10 had opened for DenSCO Investment Corporation was closed.

11 Do you see that?

12 A. I see the Request No. 1, yes.

13 Q. Okay. And then in the response, you see below  
14 that certain documents are identified by Bates number?

15 A. Yes, I do.

16 Q. And those documents are the first attachment to  
17 the response; they are numbered CH\_0013617 through 13619.

18 Are you there?

19 A. Yes, I am.

20 Q. Do you recognize the printout or the document  
21 that's attached as 13617?

22 A. I do not.

23 Q. You do not.

24 Were you aware that the firm had a -- has an  
25 accounting or management system to document when matters

MARK SIFFERMAN, 8/31/2018

1 are opened and closed?

2 A. I was aware that the firm -- I am aware that the  
3 firm did have a file management program, yes, that would  
4 track when a file was opened or closed, yes.

5 Q. But apart from that, you can't identify this  
6 document?

7 A. Correct, I cannot.

8 Q. All right. What was the process the firm  
9 followed for opening a new matter?

10 A. There was a document I think called a new matter  
11 memo, which was filled out by the intake attorney or the  
12 intake attorney's staff. It was then circulated to  
13 somebody in record management to do a conflict check.

14 Let me back up. The contact of the record  
15 management department would have occurred previously to  
16 determine if there was some kind of conflict. They would  
17 generate a list of every conceivable name that was similar  
18 and that would be reviewed.

19 Then the new matter memo would be sent. If  
20 there was any potential, if there was some potential  
21 conflict, it would have been cleared by talking to whoever  
22 the other lawyer was. Usually it wasn't a conflict. It  
23 was just a name that was similar, which happens in a  
24 national firm.

25 The practice group head or the practice group's

MARK SIFFERMAN, 8/31/2018

1 delegate would review the form to determine if it was work  
2 that was within that lawyer's sphere, whether there were  
3 satisfactory fee arrangements. They would sign off on it  
4 and the file would be opened.

5 Q. Okay. And were you ever called in to discuss  
6 conflicts, conflict issues during this process?

7 A. During the process of opening files?

8 Q. Yes.

9 A. I probably was. I don't remember a specific  
10 instance.

11 Q. Okay. would you take a look at -- this is going  
12 to be in the books of exhibits over here -- Exhibit 138.

13 MR. STURR: Are you ready, John?

14 MR. DeWULF: Yeah. Thanks.

15 Q. (BY MR. STURR) Exhibit 138 was previously  
16 marked in this case, Mr. Sifferman, and I want -- I just  
17 want you to look at about three pages in. You will see it  
18 says at the top New Client/Matter Form.

19 Are you there?

20 A. I think it's the fourth page.

21 Q. Okay. Is this the document that the firm was  
22 using, this was back in 2013, for initiating a new matter?

23 A. Yes.

24 Q. And the lawyer who is opening the matter is  
25 called upon to identify the client, is that correct?

MARK SIFFERMAN, 8/31/2018

1 A. Yes.

2 Q. And then the next section, Matter Information,  
3 to describe the nature of the form to be performed?

4 A. Yes.

5 Q. Okay. In the next section or two sections over;  
6 it's called Risk Assessment.

7 Do you see that?

8 A. Yes.

9 Q. And this calls upon the lawyer opening the  
10 matter to fill this part out and confirm that the  
11 conflicts have been evaluated and assessed.

12 Is that fair to say?

13 A. Yes.

14 Q. If you could look at the previous exhibit, which  
15 is 137. Exhibit 137 was previously marked and it contains  
16 an email and its attachment, which is an engagement letter  
17 that was signed by Mr. Beauchamp on September 12th, 2013.

18 Do you see that?

19 A. Yes, I do.

20 Q. This is -- were all attorneys required to use  
21 this form engagement letter?

22 A. No.

23 Q. Okay. How would it vary?

24 MR. DeWULF: Object to form.

25 THE WITNESS: You were -- you were allowed to

MARK SIFFERMAN, 8/31/2018

1 modify. You were allowed to have an engagement letter  
2 that would be more personal, less sanitized, more  
3 descriptive.

4 Q. (BY MR. STURR) In those circumstances, would  
5 the lawyer still be required to attach the standard terms  
6 of engagement for legal services?

7 A. Yes.

8 Q. And in this letter that Mr. Beauchamp sent, it  
9 identifies the client in the second line as DenSco  
10 Investment Corporation, is that correct?

11 A. You are talking about the September 12 letter?

12 Q. Yes.

13 A. Okay. The addressee is DenSco Investment  
14 Corporation.

15 Q. The second sentence says, it refers to: Our  
16 engagement to represent DenSco Investment Corporation (the  
17 "Client"), correct?

18 A. Yes.

19 Q. Okay. Was it important from Clark Hill's  
20 perspective to clearly identify who the client was in  
21 undertaking the representation of a new client?

22 A. Yes.

23 Q. And in representing corporate clients, it is  
24 important to clarify whether or not the firm was  
25 representing any of the entity or subsidiaries or

MARK SIFFERMAN, 8/31/2018

1 constituents, is that correct?

2 MR. DeWULF: Object to form.

3 THE WITNESS: It wouldn't -- it wouldn't be  
4 during the intake process, but whenever you represent an  
5 entity, you are dealing with constituent members. And  
6 they need to understand that when you are dealing with  
7 them, you are dealing with them as constituent members of  
8 the entity.

9 Q. (BY MR. STURR) And not the client?

10 A. Well, constituent member of an entity I think  
11 necessarily is a client, too. Not in an individual  
12 personal capacity, but in their capacity with that entity.

13 Q. That's not what the standard terms say, as I  
14 read them. Can I ask you to look at that?

15 MR. DeWULF: Object to form.

16 Q. (BY MR. STURR) I don't know how long it's been  
17 since you've looked at that, but if you look at -- this is  
18 the page that's captioned Standard Terms of Engagement for  
19 Legal Services.

20 Do you see that?

21 A. Yes, I do.

22 Q. Whom we Represent, do you see that paragraph?

23 A. Yes, I do.

24 Q. It says that: The person or entity whom we  
25 represent is the person or entity identified in our

MARK SIFFERMAN, 8/31/2018

1 engagement letter.

2 And we saw that that is DenSco Investment  
3 Corporation, correct?

4 A. Yes.

5 Q. And does not include employees, officers,  
6 directors, shareholders of the corporation, partners of a  
7 partnership, member of an association or a limited  
8 liability company, and/or other constituents of a named  
9 client unless our engagement letter expressly provides  
10 otherwise.

11 A. Yes.

12 Q. Would you agree with me that based on the  
13 engagement letter and the standard language, the only  
14 client that Clark Hill was agreeing to represent in  
15 September 2013 was DenSco Investment?

16 MR. DeWULF: Object to form.

17 THE WITNESS: No.

18 Q. (BY MR. STURR) Why not?

19 A. The -- whenever you represent an entity, you  
20 necessarily represent the constituents as constituent  
21 members of that entity, and I don't think this "whom we  
22 represent" language is contrary to that.

23 Q. What's the basis for your view that when a  
24 lawyer represents an entity, he also represents the  
25 constituent members of the entity?

MARK SIFFERMAN, 8/31/2018

1           A.    Well, to the -- to the extent that the  
2   constituent member is acting on behalf of the entity and  
3   is giving you instructions or seeking your advice.

4           Q.    It's your view, Mr. Sifferman, that there is a  
5   joint representation of the entity and the constituent in  
6   those circumstances?

7           MR. DeWULF:  I don't know if you finished your  
8   earlier answer, but if you need to complete your earlier  
9   answer, go ahead, and answer this question as well.

10          THE WITNESS:  I wouldn't say it's -- I don't  
11   view it as joint.  I think -- I wouldn't use the  
12   terminology joint.  The -- maybe my answer was confusing  
13   or in -- poorly framed.

14          You don't represent the constituent members  
15   personally.  You don't represent them to the extent they  
16   are -- you believe they are acting adversely to the  
17   entity, but entities are artificial and you have to deal  
18   with people.  That's where I am coming from.

19          Q.    (BY MR. STURR)  Are you familiar with the entity  
20   theory of representation?

21          MR. DeWULF:  Object to form.

22          THE WITNESS:  I'm not sure I have heard of it  
23   in -- with that terminology.

24          Q.    (BY MR. STURR)  Are you familiar with the terms  
25   of Ethical Rule 1.13?

MARK SIFFERMAN, 8/31/2018

1 A. Yes.

2 Q. And do you recall that Ethical Rule 1.13 uses  
3 the -- references the entity theory of representation?

4 A. Yes.

5 Q. Okay. And do you recall that Ethical Rule 1.13  
6 identifies the entity as a lawyer's client?

7 A. Correct.

8 Q. Okay. And the rule specifically states in the  
9 comments that simply representing the entity does not give  
10 rise to representation of constituents.

11 MR. DeWULF: Object to form.

12 Q. (BY MR. STURR) Do you recall that?

13 MR. DeWULF: Object to form.

14 THE WITNESS: I don't recall that exactly. I  
15 agree with that.

16 Q. (BY MR. STURR) So if there was to be a  
17 representation of the entity and a constituent, that would  
18 need to be confirmed in writing, would it not?

19 MR. DeWULF: Object to form.

20 THE WITNESS: In what context?

21 Q. (BY MR. STURR) If a lawyer is going to  
22 represent an entity and will also represent a constituent  
23 of the entity, that would need to be confirmed in writing,  
24 would it not?

25 MR. DeWULF: Object to form.

MARK SIFFERMAN, 8/31/2018

1 THE WITNESS: I don't know the answer to that  
2 question. I'm not in a position to express an opinion  
3 about how 1.13 works with your engagement letter  
4 obligations in every situation, especially where there is  
5 just so many combinations. I can't -- I'm not in a  
6 position to give you a quick answer or yes or no.

7 Q. (BY MR. STURR) Okay. Sticking with the  
8 engagement letter, there is a paragraph that says Scope of  
9 our work.

10 Do you see that?

11 A. Yeah.

12 Q. And the last paragraph in that section says:  
13 Our attorney-client representation will be considered  
14 ended upon the earliest of, and there is (a) and (b) and  
15 then (c), which says: Notification by the firm of  
16 termination of our attorney-client relationship.

17 Do you see that?

18 A. Yes.

19 Q. Is it -- is it fair to read this to understand  
20 that the standard terms of engagement contemplate that the  
21 firm would send written notification of termination of an  
22 attorney/client relationship?

23 A. No.

24 MR. DeWULF: Object to form.

25 Q. (BY MR. STURR) Why not?

MARK SIFFERMAN, 8/31/2018

1           A.     Just as -- it's the flip side of (c),  
2     which is -- I'm sorry -- of (b), notification by the  
3     client that they desire to terminate a relationship, if a  
4     client verbally told me that they wanted to term --  
5     terminate the relationship, it would be terminated.

6           Q.     (BY MR. STURR) And you wouldn't confirm that in  
7     writing?

8           A.     I might. Whether or not -- if it's a piece of  
9     litigation, it may be having them sign off on a Motion to  
10    withdraw. It may be done by an email, but perhaps I would  
11    confirm it in writing. I can't say that was a  
12    requirement.

13          Q.     And I take it from your earlier answers, you are  
14    not able or willing today to give me an opinion about  
15    practices with respect to confirming termination of  
16    representations in writing?

17                 MR. DeWULF: Object to form.

18                 THE WITNESS: I have not been retained as an  
19    expert witness, and I don't believe I am required to give  
20    you my opinion testimony.

21          Q.     (BY MR. STURR) Let's move on. I'm going to  
22    hand you what's been marked as Exhibit 457.

23          A.     I can put this book away?

24          Q.     Yeah. Well, leave it out, if you would, because  
25    I am probably going to come back to that, if you can make

MARK SIFFERMAN, 8/31/2018

1 it just accessible.

2           Actually, before we get to that, I'm not going  
3 to get to that just yet, so hold on, John. I'm going to  
4 set that aside. I'm going to start on a different topic  
5 before I get to that.

6           You know Mr. Beauchamp was deposed in this case?

7           A. Yes.

8           Q. Have you read Mr. Beauchamp's deposition?

9           A. No.

10          Q. Were you given any excerpts of it?

11          A. No.

12          Q. Okay. One of the reasons we wanted to depose  
13 you, Mr. Sifferman, is to address certain things that  
14 Mr. Beauchamp testified to.

15                Do you have a memory of, a present memory today  
16 of any discussions you had with David Beauchamp in January  
17 of 2014 regarding the need to obtain a conflict waiver for  
18 a matter that he had just opened in that month?

19          A. Related to DenSco?

20          Q. Yes.

21          A. I don't remember that.

22          Q. You have no memory of that at all?

23          A. No, one way or the other.

24          Q. And we don't have any -- I'm just trying to  
25 think about the -- about an efficient way to proceed

MARK SIFFERMAN, 8/31/2018

1 today.

2 Let me -- let me at least, let me show you a  
3 document and see if this refreshes your recollection.  
4 would you look at Exhibit 164.

5 MR. STURR: Do you have that, John?

6 MR. DeWULF: Go ahead.

7 Q. (BY MR. STURR) Exhibit 164, Mr. Sifferman, is  
8 an email that Mr. Beauchamp sent to Denny Chittick on  
9 January 15, 2014. You were not copied on this email, but  
10 I'm asking you to review it to see if it refreshes your  
11 recollection.

12 If you look at the center of the email, this is  
13 Mr. Beauchamp writing to Mr. Chittick, and in the second  
14 paragraph, the last sentence says: My new firm would also  
15 like for me to obtain a waiver from DenSco for me to  
16 continue proceeding with this matter.

17 Does that refresh your memory that -- of any  
18 conversations you had with Mr. Beauchamp in January of  
19 2014 about obtaining a waiver on a DenSco matter?

20 A. I don't -- it does not refresh my recollection.

21 Q. And you have no present memory of this at all?

22 A. Correct.

23 Q. Okay. Let's move on, then. I'm going to hand  
24 you what's been marked as Exhibit 457.

25 A. Actually, you know what? I turned the page, and

MARK SIFFERMAN, 8/31/2018

1 there is an email from Robert Miller --

2 Q. Yes.

3 A. -- who was at David's old firm.

4 Q. Yes.

5 A. And I remember there was an issue that came up  
6 involving Mr. Miller. And what firm was he at?

7 Q. Bryan Cave.

8 A. And some work that had been done at Bryan Cave  
9 or was going on at Bryan Cave, and I talked to David about  
10 it, but that's the extent of my memory.

11 Q. Okay. And -- and the memory is simply of that  
12 of a -- would this have been an in-person conversation in  
13 the office? That's all you can recall?

14 A. Yes.

15 Q. Okay.

16 A. And it's Robert Miller's involvement that brings  
17 it to mind.

18 Q. And all you can remember is the issue was  
19 raised, but you have no memory of what discussions you had  
20 with Mr. Beauchamp about how it should be resolved?

21 A. Correct.

22 Q. Okay. Let's move on. If you could take a look  
23 a look at Exhibit 457.

24 MR. STURR: John, do you have that? I gave it  
25 to you earlier.

MARK SIFFERMAN, 8/31/2018

1 MR. DeWULF: I'm sorry.

2 MR. STURR: I have another copy if you can't  
3 find it.

4 MR. DeWULF: If you gave it to me, I have it.  
5 I've just got to find it.

6 MR. STURR: Here it is. You have it right in  
7 front of you. That's it.

8 MR. DeWULF: I misnumbered it. I have it as  
9 456. It's 457.

10 Q. (BY MR. STURR) 457.

11 Mr. Sifferman, I'm handing you what's been  
12 marked as Exhibit 457. It's an email from Mr. Beauchamp  
13 to Ryan Anderson, who is counsel for the receiver, dated  
14 February 8, 2017, and you are copied on it.

15 Do you see that?

16 A. Yes.

17 Q. And in the second paragraph of the email,  
18 Mr. Beauchamp discusses the Clark Hill's termination of  
19 doing any securities or other legal work for DenSCO when  
20 Denny Chittick refused to send the amended private  
21 offering memorandum to his investors.

22 Do you see that?

23 A. Yes, I do.

24 Q. And he goes on to say that he believes that we  
25 terminated our representation in approximately July 2014.

MARK SIFFERMAN, 8/31/2018

1 Do you see that?

2 A. Yes, I do.

3 Q. Okay. Do you have a -- do you have any memory,  
4 Mr. Sifferman, of discussing with Mr. Beauchamp at some  
5 time in 2014 the termination of the firm's representation  
6 of DenSco on securities or other legal work?

7 A. I don't remember one way or the other.

8 Q. Okay. And we have no other -- we haven't  
9 received any time records that would have -- had you done  
10 so, there is no time record that we have that would show  
11 the time you devoted to that, correct?

12 A. Correct.

13 Q. As far as you know?

14 And I think you told me earlier, you didn't keep  
15 notes of your work as general counsel?

16 A. Correct.

17 Q. And you have no memory one way or the other on  
18 that issue?

19 A. Of a discussion with David Beauchamp over  
20 terminating the legal work with DenSco, no, at that time.

21 Q. In 2014?

22 A. Correct.

23 Q. Okay.

24 MR. DeWULF: Let me just make a note. I want  
25 him to be able to answer the questions. There arguably

MARK SIFFERMAN, 8/31/2018

1 are some of the things that are being said that may be  
2 privileged or at least borderline privileged  
3 communications, but I want him to be able to answer as  
4 completely as he can, so I haven't drawn any distinctions,  
5 fine distinctions here, but just be careful to make sure  
6 not to disclose -- I think subject matter topics could be  
7 disclosed. Actual communications I would caution you  
8 against revealing, but with that kind of note, go ahead.

9 MR. STURR: Yeah, I think --

10 MR. DeWULF: I don't want to interfere.

11 MR. STURR: Yeah. No. John, I think we have  
12 been proceeding on that understanding.

13 Q. (BY MR. STURR) If I wasn't clear, I was asking  
14 about whether you have a memory of the fact of a  
15 communication.

16 A. Correct, subjects.

17 Q. Subjects, right. The subject of the  
18 communication. And you do not?

19 A. Correct.

20 MR. STURR: Okay. We have been going an hour.  
21 Do you need a break? I'm anxious to finish this quickly,  
22 but I'm just --

23 MR. DeWULF: I would like to take a break.

24 VIDEOGRAPHER: The time is 10:30 a.m. We are  
25 going off the record, ending media one.

MARK SIFFERMAN, 8/31/2018

1 (A recess was taken from 10:30 a.m. to  
2 10:38 a.m.)

3 VIDEOGRAPHER: My name is Mary Onuschak with the  
4 firm of Legal Video Specialists, Phoenix, Arizona. This  
5 begins media two of the videotaped deposition of Mark  
6 Sifferman. The time is 10:38 a.m. We are now back on the  
7 record.

8 Q. (BY MR. STURR) Mr. Sifferman, I'm going to have  
9 you take a look at Exhibit 454 again. Those were your  
10 time records. And, again, I want to be as efficient as I  
11 can with your time today.

12 Exhibit 454 has records from 2016. And if I  
13 remember correctly, you told me beginning in 2015 you  
14 were -- you thought you were a little more diligent about  
15 recording your time as assistant general counsel.

16 And the reason I'm asking that question is  
17 looking at Exhibit 454, the first entry that I see on a  
18 DenSco matter is August 10, 2016.

19 Do you see that?

20 A. Yes.

21 Q. Okay. Is it -- is it likely, and I'm not going  
22 to hold you to this, but is it likely that if you had some  
23 other time before August 10, 2016, you would have recorded  
24 it, given that time period, the 2016 time period?

25 MR. DeWULF: Object to form.

MARK SIFFERMAN, 8/31/2018

1 THE WITNESS: No.

2 Q. (BY MR. STURR) Okay. All right.

3 A. I said I got better.

4 Q. Well, let me -- then I will take a little longer  
5 route to the questions I want to ask you, if I may.

6 Take a look at Exhibit, if you would -- this is  
7 going to be in another volume -- it's Exhibit 18, which is  
8 going to be in the first volume.

9 A. You said 18?

10 Q. 18. Do you see that?

11 A. Yes, I do.

12 Q. Exhibit 18 is a letter dated September 15, 2016,  
13 from Mr. Beauchamp to the -- Peter Davis, the receiver,  
14 and attached to it are certain invoices.

15 Do you see that?

16 A. Yes, I do.

17 Q. If you go to the last --

18 MR. STURR: John, I'm sorry.

19 MR. DeWULF: Go ahead. I think I finally found  
20 it. I'm sorry. My stuff isn't organized very well. I'm  
21 with you. I'm with you.

22 Q. (BY MR. STURR) If you go to the last couple of  
23 pages of the exhibit, Mr. Sifferman, beginning on  
24 CH\_0008042.

25 Are you there?

MARK SIFFERMAN, 8/31/2018

1 A. Yeah, I am.

2 Q. That's an invoice dated July 22, 2016, for  
3 business matters. And the next page, excuse me, two pages  
4 over, 0008044, there is an invoice August 10th, 2016, for  
5 business matters.

6 Do you see that?

7 A. Yes.

8 Q. And if you flip to the last page of the exhibit,  
9 you see some time recorded on 7/30/16 and 7/31/16 by  
10 Mr. Beauchamp.

11 Do you see that?

12 A. Yes, I do.

13 Q. Okay. Does this appear to you that -- would you  
14 agree with me that based on these invoices, DenSco was a  
15 current client of Clark Hill's as of July 2016?

16 A. Yes.

17 Q. And you will see in Mr. Beauchamp's billing  
18 entries for July 30, there is a reference to a phone call  
19 regarding the death of Denny Chittick.

20 Do you see that?

21 A. I see that reference, yes.

22 Q. Do you have a present memory today of when you  
23 learned of Mr. Chittick's death?

24 A. Shortly after his death.

25 Q. How did you learn it?

MARK SIFFERMAN, 8/31/2018

1 A. David told me.

2 Q. Okay. Do you have a present memory of that?

3 A. Yes.

4 Q. Okay. Where did that conversation occur?

5 A. Either my office or his office.

6 Q. Okay. And what was the subject of the  
7 conversation, broadly speaking?

8 A. The death of a client. The suicide of a client.

9 Q. Did you have any discussions in that meeting  
10 relating to potential conflicts of interest?

11 A. No.

12 Q. Okay. I'm going to hand you what's been marked  
13 as Exhibit 458.

14 Before I -- stay on that exhibit, before you put  
15 it away. Excuse me. Sorry, Mr. Sifferman.

16 If you go back to Exhibit 18, at the beginning  
17 of the -- if you go back to the cover letter,  
18 Mr. Beauchamp writes: Enclosed is the invoices for legal  
19 services provided by Clark Hill to DenSco Investment  
20 Corporation through the end of August regarding the wind  
21 down of the business.

22 Do you see that?

23 A. Yes, I do.

24 Q. Okay. And you see there are time entries in the  
25 first billing entry beginning with August 1 forward.

MARK SIFFERMAN, 8/31/2018

1 Do you see that?

2 A. Yes, I do.

3 Q. And this is for work Mr. -- Mr. Beauchamp was  
4 performing that was related to a business wind-down,  
5 correct?

6 A. Yes.

7 Q. And the work that is recorded here includes  
8 communications with, in the first entry, Shawna Heuer.

9 Do you see that?

10 A. I see a reference to an S --

11 Q. Heuer.

12 A. -- Heuer.

13 Q. And in the second entry, do you see references  
14 in the middle of the entry to work on information for  
15 status email to investors?

16 Do you see that?

17 A. Yes.

18 Q. And in the third entry, August 3, there are some  
19 references to a telephone call with Gary Clapper of the  
20 Arizona Securities Division.

21 Do you see that?

22 A. Yes.

23 Q. Turning back to the Exhibit 458 now, this is a  
24 New Business Intake Form.

25 Do you see that?

MARK SIFFERMAN, 8/31/2018

1 A. Yes.

2 Q. It is for a business wind-down is what is  
3 described on the first page, correct?

4 A. Yes.

5 Q. And if you go three pages in, maybe more than  
6 that, actually, to the page marked CH\_0018000, there is a  
7 section F for approvals.

8 Do you see that?

9 A. Yes.

10 Q. And it's signed by Mr. Beauchamp and it's dated  
11 August 23, 2016.

12 Do you see that?

13 A. Yes.

14 Q. It appears that the file was in fact not opened  
15 until sometime after August 23, 2016, and that these time  
16 entries that had been recorded were then billed under the  
17 business wind-down matter.

18 Is that what it appears to you?

19 MR. DeWULF: Object to form.

20 Q. (BY MR. STURR) I'm sure I didn't ask the  
21 question very well.

22 The invoice that we looked at earlier is a  
23 billing for business wind-down and includes work that was  
24 performed beginning on August 1, correct?

25 A. Correct.

MARK SIFFERMAN, 8/31/2018

1 Q. Okay. It appears from Exhibit 458 that the  
2 file, the matter at the firm for business wind down was  
3 not opened or established until sometime after August 23,  
4 2016. Is that correct?

5 A. Well, David signed it on August 23, so I think  
6 that's a fair assumption.

7 Q. Okay. Take a look, if you would, in  
8 Exhibit 216. Keep that book out, because we may come back  
9 to it, but Exhibit 216. And I'm sorry, I don't have the  
10 volume number for you.

11 Exhibit 216 was previously marked,  
12 Mr. Sifferman. It's a Court-stamped document, captioned  
13 Letters of Appointment of the Personal Representative and  
14 Acceptance of Appointment as Personal Representative that  
15 was filed on August 4, 2016, by lawyers at Clark Hill, is  
16 that correct?

17 A. It was filed by the Clerk of the Court. It was  
18 prepared by lawyers at Clark Hill.

19 Q. Okay. And were you aware -- before this  
20 document was filed, before August 4, 2016, do you have a  
21 memory of consulting with either the lawyers listed here,  
22 Darra Lynn Rayndon and Michelle Tran, or Mr. Beauchamp,  
23 about potential conflicts arising from the undertaking of  
24 the representation of the estate of Denny Chittick?

25 MR. DeWULF: Object to form.

MARK SIFFERMAN, 8/31/2018

1 THE WITNESS: I don't remember one way or the  
2 other.

3 Q. (BY MR. STURR) Okay. I'm going to ask you to  
4 look at what's been marked as Exhibit 459. And I'm going  
5 to also hand you what's been marked as Exhibit --

6 MR. STURR: John, are you ready?

7 MR. DeWULF: Yes.

8 MR. STURR: That's 459. This is 460.

9 MR. DeWULF: Did you hand me a copy of 460? I'm  
10 sorry.

11 MR. STURR: I thought I did, but if I didn't,  
12 let me give it to you.

13 MR. DeWULF: Thank you.

14 Q. (BY MR. STURR) Take a look, just if you would,  
15 just a minute please, Mr. Sifferman, take a look at  
16 Exhibit 459. This is an email chain. It begins with an  
17 email from a person named Scott Swinson to Michelle Tran,  
18 that Michelle Tran then forwards to Mr. Beauchamp. And  
19 Exhibit 460 is Ms. Tran's August 10, 2016, response to  
20 Mr. Swinson.

21 Do you see that?

22 A. You said there was a response from Michelle Tran  
23 to Scott Swinson?

24 Q. Yes. That's Exhibit 460.

25 Do you have that?

MARK SIFFERMAN, 8/31/2018

1 A. Oh, okay.

2 Q. Okay. The Exhibit 459, let me just spend a  
3 moment on that, if you could look at the second page, this  
4 is a letter from a lawyer Scott Swinson, representing Rob  
5 Brinkman, an investor/creditor of DenSco Investment  
6 Corporation. And he poses the question, he says he notes  
7 that he has -- his client has forwarded to him the various  
8 emails regarding DenSco generated by Mr. Beauchamp. From  
9 some of the statements Mr. Beauchamp has made in his  
10 emails, it sounds as though your firm represented either  
11 Mr. Chittick and/or DenSco prior to Mr. Chittick's death.

12 Did I read that correctly?

13 A. Yes.

14 Q. And he asks whether or not the firm had  
15 considered the potential of a conflict of interest in your  
16 representation of the Chittick estate.

17 Do you see that?

18 A. Yes.

19 Q. And the Exhibit 460 is Ms. Tran's response. And  
20 she says: Thank you for your letter. We are in the  
21 process of addressing this concern.

22 Do you see that?

23 A. Yes.

24 Q. Okay. One other document I want to ask you to  
25 look at, and forgive me, can you pull out Exhibit 434.

MARK SIFFERMAN, 8/31/2018

1 Oh, are they not tabbed?

2 A. That's okay. It's an August 10 letter?

3 Q. Yes. This is an August 10, 2016, letter that --

4 MR. STURR: Sorry, John.

5 MR. DeWULF: No. You are --

6 MR. STURR: Let me describe it for the record  
7 while you're looking for it. August 10, 2016, letter that  
8 Mr. Beauchamp sent to Wendy Coy of the Arizona Corporation  
9 Commission.

10 THE WITNESS: I have it.

11 Q. (BY MR. STURR) Okay. And the sentence I just  
12 want to draw your attention to is the second line of  
13 Mr. Beauchamp's letter: Although we were previously  
14 special counsel to DenSco, our status as ongoing counsel  
15 has been questioned and we will likely withdraw as counsel  
16 depending on how the courts and the interested parties  
17 elect to proceed to collect and distribute the recoverable  
18 assets of DenSco.

19 And the letter goes on to address the subpoena  
20 that the ACC had delivered to Mr. Beauchamp, and he  
21 writes: I have not previously represented Denny Chittick  
22 and I do not have authority to accept the service of the  
23 subpoena on Mr. Chittick or his Estate.

24 Did I read that correctly?

25 A. Yes.

MARK SIFFERMAN, 8/31/2018

1 Q. Now, I wanted to review those documents and then  
2 I want to go back to 454, your time entry.

3 You -- you have a time entry on August 10, 2016,  
4 Mr. Sifferman.

5 Are you there?

6 A. Not quite. What exhibit number?

7 Q. 454. It's the -- it's one of the first exhibits  
8 we marked today that had your time entries.

9 MR. DeWULF: It's right there.

10 THE WITNESS: Okay.

11 Q. (BY MR. STURR) The first time entry on that  
12 first page of the exhibit is August 10, 2016, correct?

13 A. Yes.

14 Q. And it's -- you described it as DenSco issues  
15 and you spent, is it 1.9 hours, correct?

16 A. Yes.

17 Q. Okay. Do you have a present memory of what  
18 issues you were addressing that day?

19 A. Not exactly on that day, but in that time  
20 period, yes.

21 Q. Okay. And what were the issues you were  
22 addressing in that time period?

23 A. There was -- the Arizona Corporation Commission  
24 was going to or had filed an application for appointment  
25 of a receiver over DenSco. There was the --

MARK SIFFERMAN, 8/31/2018

1 Q. And, again, I don't want you to reveal -- I know  
2 you're going to be careful. I don't want you to reveal  
3 any privileged communications. I'm just trying to  
4 understand the list of issues that you are aware would  
5 have been the topic of these meetings.

6 A. The engagement by the personal representative of  
7 the estate of Gammage & Burnham. Gammage & Burnham's  
8 attorney's concern about privileged communications.  
9 That's generally what --

10 Q. And then you said in this time period?

11 A. Yeah.

12 Q. Okay. I want to be as precise as we can. Let  
13 me go back to the exhibits we were just looking at. And  
14 I'm asking this only because you have the time entry on  
15 the same date, August 10.

16 If you look at Exhibit 434, Mr. Beauchamp's  
17 letter to Ms. Coy, do you have a memory of seeing this  
18 letter or having a role in its drafting on August 10,  
19 2016?

20 A. I do not believe I had a role in drafting this  
21 letter, and I do not believe I saw it at that time.

22 Q. Going back to the Exhibits 459 and 60, the email  
23 that Ms. Tran received and Ms. Tran's response to  
24 Mr. Swinson.

25 A. Yes.

MARK SIFFERMAN, 8/31/2018

1 Q. Do you have a present memory of having any role  
2 in preparing the communication or giving advice relating  
3 to the letter and the response?

4 MR. DeWULF: Object to form.

5 THE WITNESS: I'm sorry. Could you state that  
6 again?

7 Q. (BY MR. STURR) I'm trying to see if I can  
8 understand if you -- one of the matters that you addressed  
9 on August 10, as reflected in your billing statement,  
10 would have been the communication received from  
11 Mr. Swinson and the firm's response from Ms. Tran.

12 A. I don't remember specifically Mr. Swinson's  
13 letter or the response, but I do remember addressing the  
14 issue that Mr. Swinson raised.

15 Q. The -- whether or not there was a conflict?

16 A. Correct.

17 Q. Okay. I'm going to ask you to take a look at  
18 what was marked as Exhibit 263.

19 Mr. Sifferman, these are notes that were in  
20 Clark Hill's files that we believe were drafted by  
21 Mr. Beauchamp. And he wrote, this appears to be a  
22 conference with you on August 10, 2016, and there is just  
23 a brief reference to Mark Winkleman, receiver for  
24 Mortgages Ltd.

25 Do you have a memory of discussing with

MARK SIFFERMAN, 8/31/2018

1 Mr. Beauchamp anything about the receivership that would  
2 not be privileged, as reflected in these notes?

3 A. I remember discussing with Mr. Beauchamp that  
4 there was an application for a receiver. I might have  
5 been aware of who was being proposed by the Corporation  
6 Commission or I can't remember if Gammage & Burnham  
7 proposed someone.

8 I don't think this is seeking legal advice.  
9 David asked me if I knew anybody else who might serve in  
10 that role, and I have known Mark winkleman since the '80s,  
11 and his name popped into my head and I said --

12 Q. Okay.

13 A. -- maybe Mark winkleman.

14 Q. Okay. Going back to Exhibit 454 again, your  
15 time records, you don't have anything entered between  
16 August 10 and August 18, 2016, correct?

17 A. Correct.

18 Q. And I think I understand you.

19 If you had spent some time on the matter, you  
20 may have and it wouldn't have been recorded?

21 A. Correct.

22 Q. Okay. What I would like to get an understanding  
23 of is, and you have already referenced it earlier, that  
24 you had conversations regarding Gammage & Burnham's  
25 concerns regarding privilege, and I want to make sure I

MARK SIFFERMAN, 8/31/2018

1 have an understanding of what information you were  
2 receiving in the time period before the hearing on  
3 August 18th in front of Judge Bustamante.

4 Are you able to separate that time period out  
5 today? Do you have a present memory of communications  
6 that -- first of all, do you have a present memory of that  
7 hearing?

8 A. Yes.

9 Q. Okay. Are you able to sort of separate out any  
10 discussions or communications you had before the hearing  
11 in the week before?

12 A. I believe I can.

13 Q. Okay. What do you -- what do you recall?

14 A. Gammage -- Gammage & Burnham was taking the  
15 position or raising the issue about whether -- whether  
16 there was communications that were privileged with Dennis  
17 Chittick, and they asked David to sign a declaration. I  
18 reviewed the declaration, it was modified, and David  
19 submitted it.

20 Q. Okay. Do you recall receiving, before the  
21 declaration came, any other communications regarding that  
22 issue?

23 MR. DeWULF: Object to form.

24 Q. (BY MR. STURR) Let me show you a document.

25 A. Sure.

MARK SIFFERMAN, 8/31/2018

1 Q. And maybe it's easier to start that way. Take a  
2 look at Exhibit 267.

3 Exhibit 267, Mr. Sifferman, is an email dated  
4 August 11th, 2016, that Mr. Beauchamp sent to Gary Clapper  
5 of the ACC, which was copied to Kevin Merritt and James  
6 Polese of Gammage & Burnham and to you, is that correct?  
7 And also to Wendy Coy of the ACC, is that correct?

8 A. I am copied on this email.

9 Q. And in the -- do you have a memory of receiving  
10 this email?

11 A. I don't.

12 Q. Okay. In the second -- in the first paragraph,  
13 second sentence, Mr. Polese is referring to his  
14 conversation with Mr. Polese and Mr. Merritt. And he goes  
15 on to say --

16 A. I think you said Mr. Polese was referring to.

17 Q. I'm sorry. Mr. Beauchamp is referring to his  
18 conversation with Mr. Polese and Mr. Merritt, correct?

19 A. Yes.

20 Q. Okay. And he goes on to say, and it references:  
21 Statements from a couple of the attorneys, from investors  
22 and other attorneys for other related parties. All of  
23 them want us to follow a different procedure with respect  
24 to the DenSco documents. Jim Polese will be sending a  
25 letter to you with the specifics of the procedure that we

MARK SIFFERMAN, 8/31/2018

1 would like to follow concerning the documents and  
2 information that has been requested, including what has  
3 already been provided. Correct?

4 A. Yes.

5 Q. Take a look at Exhibit -- and that was sent on  
6 August 11. Take a look at Exhibit 274.

7 A. I'm there.

8 Q. And this is an email Mr. Beauchamp sent to a  
9 legal assistant at Gammage & Burnham regarding boxes of  
10 documents. And in the second line he writes: Our firm's  
11 General Counsel wants me to get a Receipt signed for the  
12 boxes, so I have a document trail.

13 A. Yes.

14 Q. And do you recall having that conversation with  
15 Mr. Beauchamp?

16 A. I don't.

17 Q. If you go to Exhibit 285 --  
18 are you there?

19 A. Yes.

20 Q. -- Exhibit 285 is an email Mr. Polese sent to  
21 Ms. Coy. It's copied to, among others, Mr. Beauchamp.

22 You are not copied on it, but I wanted to draw  
23 to your attention, at the very bottom of the page, the one  
24 captioned Privilege.

25 A. Yes.

MARK SIFFERMAN, 8/31/2018

1 Q. Mr. Polese wrote: Privilege. It is my view and  
2 that of David Beauchamp that Denny viewed David as both  
3 his company attorney and personal attorney.

4 Do you see that?

5 A. Yes.

6 Q. Did Mr. Beauchamp forward or share this email  
7 with you, if you can recall?

8 A. I don't remember one way or the other.

9 Q. Okay. Did you know that Mr. Polese was taking  
10 the position with the ACC that Clark Hill, through  
11 Mr. Beauchamp, was both DenSco's attorney and Denny  
12 Chittick's personal attorney?

13 MR. DEWULF: Object to form.

14 THE WITNESS: I don't remember -- I don't  
15 remember anyone -- anyone taking the position that Clark  
16 Hill was Mr. Chittick's personal attorney, but Mr. Polese  
17 was taking the position that Mr. Chittick, as president of  
18 DenSco, might have privileged communications that somehow  
19 were separate and protectable from the corporation.

20 Q. (BY MR. STURR) And how do you know that?  
21 What's the basis for that belief or memory?

22 A. From the -- from the declaration that was signed  
23 by David and the statements made at the receivership  
24 hearing.

25 Q. Okay. Well, we will get to that in a second.

MARK SIFFERMAN, 8/31/2018

1           Take a look at -- all right. If you could just  
2 take a look at Exhibit 435. Keep that book out, but 435.

3           A. I'm there.

4           Q. Okay. Exhibit 435 is an email from Mr. Polese  
5 to Mr. Beauchamp that was sent at 3:30 on Wednesday,  
6 August 17th, attached to which is a draft declaration,  
7 correct?

8           A. Yes.

9           Q. If you will go then to Exhibit 301.

10          A. Yes.

11          Q. Exhibit 301 is -- appears to be Exhibit 435  
12 forwarded to you by Mr. Beauchamp at 5:39 p.m., correct?

13          A. Yes, it is.

14          Q. And he says: Sorry for the delay in forwarding  
15 this to you. The hearing concerning the Receiver and  
16 whether the Receiver can waive the attorney-client  
17 privilege with respect to all communications with Denny  
18 Chittick is tomorrow at 10:00 o'clock. Since I have now  
19 been told to expect to be called as a witness, would you  
20 be able to attend with me tomorrow?

21                 Correct?

22          A. You read that correctly.

23          Q. And he answered -- you said at 6:08 p.m.: Yes.  
24 What judge is the hearing in front of?

25          A. Correct.

MARK SIFFERMAN, 8/31/2018

1 Q. Okay. Do you remember receiving this -- let me  
2 show you one other exhibit. If we could just look at  
3 Exhibit 436, back to the other book.

4 A. Yes.

5 Q. Is -- is the -- an email from Mr. Beauchamp that  
6 he sends at 6:53 that evening with a revised and signed  
7 declaration. You are copied on that, correct?

8 A. Correct.

9 Q. Okay. Do you have a memory of -- were you -- in  
10 being in the office when these communications occurred?

11 A. Yes.

12 Q. Okay. And tell me what you can recall.

13 A. At some point that day on August 17th, David had  
14 told me that Gammage & Burnham were asking him to sign  
15 some kind of declaration. He either asked me to look at  
16 it or I told him to send it to me so I could look at it.

17 And David forwarded the email 5:39 p.m. My  
18 memory is he came by my office to let me know that he had  
19 forwarded it. I looked at the declaration, spoke with  
20 David about the declaration. There was a misstatement in  
21 the declaration. The format of the declaration didn't  
22 comply with the Superior Court rules. I changed it, had  
23 David review it, and he signed it and he sent it back.

24 Q. And so you believe that the declaration, based  
25 on the information Mr. Beauchamp provided to you, was

MARK SIFFERMAN, 8/31/2018

1 accurate?

2 A. The one that he signed?

3 Q. Yes.

4 A. Yes.

5 Q. Take a look at, if you go to Exhibit 436.

6 well, let me move on, in the interest of time.

7 Now, the next day was the hearing, and your  
8 billing records, Mr. Sifferman, reflect that you spent 1.9  
9 hours for DenSco issues. This is Exhibit 454, if you want  
10 to look at that.

11 A. I saw that.

12 Q. Okay. Now, tell me what you can recall of the  
13 hearing.

14 Let me ask you first, before I ask you about  
15 that, the email that Mr. Beauchamp sent to you the  
16 afternoon or evening before said he might be called as a  
17 witness.

18 Did you discuss with Mr. Beauchamp his role as a  
19 witness?

20 MR. DeWULF: The topic, I guess, yes or no.

21 THE WITNESS: I might have. I don't remember  
22 that specifically.

23 Q. (BY MR. STURR) Okay. What I'm getting -- I  
24 think what I'm getting at, is he asked you to attend the  
25 hearing, if I remember what his email said, because he

MARK SIFFERMAN, 8/31/2018

1 might be called as a witness.

2 And is that -- would that be standard practice  
3 for you, as assistant general counsel, if a lawyer is  
4 going to be testifying, someone from the firm should be  
5 present?

6 A. It would be my procedure.

7 Q. Okay. So going to the morning of the hearing,  
8 what do you remember about that day? Did you drive down  
9 together with Mr. Beauchamp?

10 A. I don't believe so. I think I -- I believe I  
11 met him there.

12 Q. Okay. And did you have a chance to speak with  
13 him before the hearing?

14 A. I believe so.

15 Q. Did you speak with Mr. Polese or Mr. Merritt?

16 A. I don't think I did.

17 Q. Did you sit through the hearing?

18 A. Yes, I did.

19 Q. Okay. Do you recall that Mr. Polese at the  
20 hearing gave the Court a document?

21 A. I don't remember that.

22 Q. Okay. You don't recall any submission that  
23 Mr. Polese made that was based on or attached to which was  
24 Mr. Beauchamp's declaration?

25 A. I don't remember that submission by Mr. Polese.

MARK SIFFERMAN, 8/31/2018

1 Q. Okay. Do you have a memory of any statements  
2 Mr. Polese made during the hearing regarding Clark Hill's  
3 representation of DenSco and Mr. Chittick?

4 A. I remember Mr. Polese raising the issue that --  
5 whether or not the receiver could waive privilege as to  
6 communications that had been with Mr. Chittick.

7 Q. Okay. But beyond that, you don't remember the  
8 specifics of what he said?

9 A. I believe he took the position that the receiver  
10 could not waive that privilege.

11 Q. Because there was a joint privilege between the  
12 entity and Mr. Chittick?

13 MR. DeWULF: Object to form.

14 THE WITNESS: I don't remember how we explained  
15 it.

16 Q. (BY MR. STURR) But nothing Mr. Polese said to  
17 the Court that day gave you any discomfort?

18 MR. DeWULF: Object to form.

19 THE WITNESS: I don't remember being  
20 discomforted by anything that any of the appearing counsel  
21 said.

22 Q. (BY MR. STURR) Okay. What do you remember  
23 occurring after that hearing? I mean, what was your --  
24 what's your next memory of any discussions you had on a  
25 DenSco-related matter after that hearing?

MARK SIFFERMAN, 8/31/2018

1           A.     I remember that at the hearing, the judge saying  
2     that she was not going to decide whether or not the  
3     receiver could waive a privilege that Mr. Chittick would  
4     have had, and said she would put, insert some stopgap  
5     language into the receivership order.

6                     David was not called as a witness. I don't  
7     believe -- perhaps the potential receiver testified. The  
8     hearing ended, and I returned to the office or went to a  
9     client's. That's all I remember for that --

10           Q.     Okay.

11           A.     -- that day.

12           Q.     Let me -- I'm going to try to get through a  
13     couple of documents. Let me quickly hand these to you, if  
14     I may.

15                     I'm going to start with what's been marked as  
16     Exhibit 461.

17                     MR. DeWULF: Could I get a copy?

18                     MR. STURR: Oh, gosh. I'm sorry, John.

19                     MR. DeWULF: Thanks.

20           Q.     (BY MR. STURR) All right. And I'm going to  
21     hand you what's been marked as Exhibit 462.

22     Mr. Sifferman, I'm going to put in front of you  
23     Exhibit 463. And the last one I want to put in front of  
24     you is Exhibit 464.

25                     All right. Let's --

MARK SIFFERMAN, 8/31/2018

1 A. Hold on a second. Sorry.

2 Q. Okay. Thanks for keeping everything tidy.  
3 So start with 461.

4 461 is an email that Mr. Beauchamp sent to you  
5 on August 18, 2016. This is the day of the hearing,  
6 correct?

7 A. Yes.

8 Q. And he is forwarding to you the Court's Order  
9 and the email he received saying that Mr. Davis had been  
10 appointed, correct?

11 A. Yes.

12 Q. 462 is an email from Mr. Anderson --  
13 Mr. Anderson is counsel for Peter Davis, the appointed  
14 receiver -- that he sent to Mr. Beauchamp on August 20,  
15 2016. And attached to that is the receivership, Order  
16 Appointing Receiver.

17 I don't see that you are copied on this  
18 document, Mr. Sifferman, and I wanted to know if you have  
19 a present memory of being advised by Mr. Beauchamp that he  
20 had received from the receiver's counsel a copy of the  
21 receivership order.

22 A. At some point I saw the receivership appointment  
23 order. I believe David provided me with it. When he did  
24 that, what specific day, I don't remember.

25 Q. Okay. And in this email, Mr. Anderson says he

MARK SIFFERMAN, 8/31/2018

1 is inquiring about certain records of DenSco that are in  
2 your position -- your possession, rather, referring to  
3 Clark Hill's.

4 Do you see that?

5 A. He was -- he is referring to DenSco -- DenSco's  
6 records that were delivered to the firm after  
7 Mr. Chittick's death.

8 Q. And you understood at some point, and you don't  
9 recall when, that the receiver was trying to obtain, from  
10 Clark Hill, DenSco records in its possession?

11 A. I don't remember him, the receiver -- I don't  
12 remember the receiver wanting DenSco's records. I  
13 remember the receiver wanting Clark Hill's client files  
14 for DenSco.

15 Q. Okay. I will get to that in a second. So you  
16 don't have a memory of that. Let's go to 463.

17 Exhibit 463 is an email and attached letter that  
18 Mr. Anderson, the receiver's counsel, sent to  
19 Mr. Beauchamp on August 29, 2016. And it's captioned  
20 Letter to Clark Hill demanding turnover of legal files, is  
21 how the letter is identified.

22 Do you see that?

23 A. Yes.

24 Q. You are not copied on this and I don't see a  
25 time entry in your records for this date.

MARK SIFFERMAN, 8/31/2018

1 Do you recall becoming aware that the receiver  
2 was demanding that Clark Hill turn over all of its files  
3 relating to its representation of DenSco?

4 A. I remember -- I remember the receiver or the  
5 receiver's attorney asking for Clark Hill to turn over  
6 DenSco's client files. I don't know if I saw this  
7 August 29 letter or not.

8 Q. Okay. Let's go to the next exhibit. This is  
9 exhibit -- sorry. Take a look at Exhibit 317, if you  
10 would.

11 Are you with me?

12 A. Yes.

13 MR. DeWULF: I'm not. If you would just hold on  
14 a second. 317?

15 MR. STURR: 317, John.

16 MR. DeWULF: All right. I'm with you.

17 Q. (BY MR. STURR) Exhibit 317, Mr. Sifferman, is  
18 an email from Kevin Merritt, one of the lawyers at  
19 Gammage & Burnham representing the estate of Denny  
20 Chittick, to Mr. Beauchamp and Ryan Anderson, the  
21 receiver's counsel. It was sent on August 30, 2016. You  
22 are not copied on it, but I wanted to ask you a question  
23 about it.

24 In the first paragraph in the second sentence,  
25 the first paragraph is -- states that, it references the

MARK SIFFERMAN, 8/31/2018

1 demand the receiver had made on Clark Hill to turn over  
2 all of its legal files relating to the representation of  
3 DenSco, correct?

4 A. Yes.

5 Q. And Mr. Gammage says: while we do not object to  
6 this delivery, I would like to remind everyone that David  
7 testified at the receivership hearing that he concurrently  
8 represented both DenSco and Denny Chittick personally, and  
9 I believe the Court's order acknowledges as much.

10 Do you see that?

11 A. I see that. I see he said that.

12 Q. Do you recall Mr. Beauchamp forwarding this  
13 email to you or discussing it with you on or about  
14 August 30, 2016?

15 A. At some point David -- David informed me of  
16 Gammage & Burnham's concerns or requests about the client  
17 files and whether or not they should be copied or whether  
18 or not Gammage & Burnham should have a first chance to  
19 review them, but I'm not sure if it was in connection with  
20 this e-mail or not.

21 Q. Let me show you one other document. Go to  
22 Exhibit 464, which we have previously marked. It's one of  
23 the newer documents.

24 A. Right.

25 Q. Exhibit 464 is an email that Mr. Polese sent on

MARK SIFFERMAN, 8/31/2018

1 September 2, 2016, to the receiver's counsel, Ryan  
2 Anderson, and to Mr. Beauchamp.

3 Do you see that?

4 A. Yes.

5 Q. And it's captioned Common Interest Agreement.  
6 You were not copied on this.

7 If you will take a look at it, if you go to the  
8 agreement itself, it's called a Common Claims and Common  
9 Defense Agreement.

10 Do you see that?

11 A. Yes.

12 Q. And in the first paragraph, it states that  
13 DenSco Investment Corporation, an Arizona corporation,  
14 presently represented by Clark Hill.

15 Do you see that?

16 A. I'm sorry. Where is that?

17 Q. In the very first paragraph. It states that  
18 DenSco is presently represented by Clark Hill.

19 Do you see that?

20 A. I see that reference, yes.

21 Q. And then in the recitals, if you look at the  
22 one, two, three, four, the fifth recital.

23 Are you there?

24 A. Yes.

25 Q. Whereas, the Parties recognize and acknowledge

MARK SIFFERMAN, 8/31/2018

1 there exists large overlap of attorney-client privilege  
2 with respect to the activities involving Chittick  
3 personally and those of DenSco and the representation of  
4 Clark Hill as counsel for both.

5 Do you see that?

6 A. Yes.

7 Q. At any point, Mr. Sifferman, did you become  
8 aware of the assertions that the estate was making that  
9 the firm represented Denny Chittick personally and that  
10 therefore there was a joint privilege?

11 Did you ever become concerned that the estate  
12 was taking positions that were not accurate with respect  
13 to the firm's representation of DenSco and Mr. Chittick?

14 MR. DeWULF: Object to form.

15 THE WITNESS: I was aware that Gammage & Burnham  
16 was taking the position that -- that the estate had the  
17 right to assert privilege as to some communications David  
18 had with Dennis Chittick.

19 I don't remember whether or not it was specific  
20 as to personal matters and non-DenSco matters. My concern  
21 was that as lawyers, we don't have the right to waive the  
22 privilege. We have to comply with the client's requests,  
23 and here we have a receiver and a personal representative  
24 who are taking different positions on privileges, and it  
25 needed to be worked out between them or at the court.

MARK SIFFERMAN, 8/31/2018

1 Q. (BY MR. STURR) So if I understand you  
2 correctly, you were -- you, as assistant general counsel  
3 of Clark Hill, were comfortable with Gammage & Burnham  
4 making statements to the receiver and the court that Clark  
5 Hill represented Mr. Chittick personally such that there  
6 was a privilege that the estate could claim with respect  
7 to Clark Hill's files.

8 MR. DeWULF: Object to form.

9 Q. (BY MR. STURR) Am I understanding you  
10 correctly?

11 A. No. I don't believe that -- I don't remember  
12 that Gammage & Burnham was taking the position that Clark  
13 Hill had represented Mr. Chittick personally on non-DenSco  
14 matters. It was not, so there was nothing that either the  
15 receiver said or Gammage & Burnham said that I thought was  
16 inaccurate based upon whatever facts they thought existed.

17 Q. Okay. But I have just shown you Exhibit 317, an  
18 August 30, 2016, email, in which Gammage & Burnham  
19 expressly states to the receiver that David testified that  
20 he concurrently represented both DenSco and Denny Chittick  
21 personally.

22 Can I assume that this was not brought to your  
23 attention on August 30, 2016?

24 A. Well, David did not testify at this hearing.

25 Q. I understand that. I'm -- I'm just reading

MARK SIFFERMAN, 8/31/2018

1 what's in an email, and it's an email in which Gammage &  
2 Burnham is affirmatively stating that Clark Hill  
3 represented Denny Chittick personally.

4 And my question to you is, can I assume that  
5 this -- that Mr. Beauchamp did not bring this to your  
6 attention at that time?

7 MR. DeWULF: Object to form.

8 Q. (BY MR. STURR) Because if he had,  
9 Mr. Sifferman, would this not have caused you concern,  
10 because it was a statement that the firm was personally  
11 representing Mr. Chittick?

12 A. I don't remember whether or not Clark Hill ever  
13 represented Dennis Chittick on a non-DenSco matter. I did  
14 not -- I have a vague recollection there was some question  
15 about whether it had. And Gammage & Burnham was taking  
16 the position that representing a corporate president, that  
17 that president had the right to assert a privilege.

18 Q. How do you know that was the position Gammage &  
19 Burnham was taking?

20 A. By reading the declaration that they drafted for  
21 David.

22 Q. Is that all you did to determine Gammage &  
23 Burnham's position?

24 MR. DeWULF: Object to form.

25 THE WITNESS: I think there was an email earlier

MARK SIFFERMAN, 8/31/2018

1 from Jim Polese that said that also.

2 Q. (BY MR. STURR) The email I just showed you,  
3 Mr. Sifferman, is -- doesn't refer to a privilege arising  
4 from his role as a corporate officer. It refers to him as  
5 Clark Hill having represented Denny Chittick personally.

6 And if you look at Exhibit 464, the Common  
7 Claims and Common Defense Agreement, Gammage & Burnham was  
8 taking the position that there was an overlap of privilege  
9 with respect to the activities involving Chittick  
10 personally and those of DenSco, and those -- and the  
11 representation of Clark Hill as counsel for both.

12 A. Oh, I didn't see --

13 MR. DeWULF: Wait, wait. I don't think there is  
14 a question.

15 Q. (BY MR. STURR) The question there is, is -- in  
16 these two statements that I have shown you, August 30 and  
17 September 2, 2016, attorneys for Gammage & Burnham are  
18 explicitly stating that the claim for privilege arises  
19 from Clark Hill's personal representation of Denny  
20 Chittick, not by virtue of his representation of the  
21 corporation.

22 And my question to you is, if you had seen these  
23 documents on those dates, would that have caused you any  
24 concern about the position that Gammage & Burnham was  
25 taking with respect to Clark Hill's representation of

MARK SIFFERMAN, 8/31/2018

1 Mr. Chittick?

2 MR. DeWULF: Object to form.

3 THE WITNESS: Since I didn't see those documents  
4 and have never seen them, I can't go -- I can't tell you  
5 whether or not it would concern me or not.

6 My concern was as attorneys, we can't waive the  
7 privilege, and it's up to the client or clients to  
8 determine whether or not the privilege is to be waived.  
9 My focus was making sure we didn't do anything that would  
10 waive a privilege.

11 Q. (BY MR. STURR) Okay. And just to be clear, you  
12 were depending on Mr. Beauchamp to provide you with  
13 information about his discussions with the Gammage &  
14 Burnham attorneys and the receiver with respect to  
15 privilege issues?

16 MR. DeWULF: Object to form.

17 THE WITNESS: No. I believe I was copied on  
18 some of the emails.

19 Q. (BY MR. STURR) Well, but you were not copied on  
20 the two we just looked at, August 30 and September 2.

21 A. What was communicated by -- communicated to me  
22 by David I think is within the privilege.

23 MR. DeWULF: And for the record, 464, I don't  
24 know if it's ever been executed. I know that the email  
25 references a draft, but I don't know what it -- I'm not

MARK SIFFERMAN, 8/31/2018

1 seeing an executed copy of it.

2 MR. STURR: I wasn't implying that it was ever  
3 executed.

4 MR. DeWULF: But what your question assumes that  
5 somehow this either became effective or it was reviewed --

6 MR. STURR: No.

7 MR. DeWULF: -- in a way that it was effective.

8 MR. STURR: No, that was not my question. Let's  
9 just go on, John.

10 Q. (BY MR. STURR) Mr. Beauchamp testified,  
11 Mr. Sifferman, that the declaration that he signed was not  
12 true and was misleading, but not intentionally so. He  
13 said he learned the wording should have been different  
14 based on a discussion with ethics counsel.

15 Is that you?

16 MR. DeWULF: So let me object to that. And his  
17 deposition is not final yet. It's still being reviewed  
18 and corrected. But you can use that as a predicate for  
19 answering the question, but I just want you to know that  
20 testimony isn't final.

21 THE WITNESS: I -- I haven't read David's  
22 deposition, so I don't know what he said or in what  
23 context. I can tell you that when it was signed, I  
24 believed it was accurate and I assumed that he thought it  
25 was accurate.

MARK SIFFERMAN, 8/31/2018

1 I don't remember -- I don't think there was any  
2 subsequent discussion with David about whether or not --  
3 it being inaccurate in any way.

4 Q. (BY MR. STURR) So you -- let's be clear about  
5 that.

6 You don't recall any discussions with  
7 Mr. Beauchamp after the August 18 hearing about the  
8 accuracy of the declaration that was submitted in  
9 connection with that hearing?

10 A. Correct.

11 Q. Okay. Mr. Beauchamp also testified that someone  
12 from Clark Hill did have a conversation in connection with  
13 clarifying the issues for the receiver with respect to the  
14 privilege: I do not know how it was resolved or any of  
15 the details. I relied on counsel for that.

16 Did you have any communication with a  
17 representative of the receiver to clarify the scope of  
18 Clark Hill's representation of DenSco and Mr. Chittick?

19 MR. DeWULF: Object to form.

20 THE WITNESS: I don't remember such a  
21 discussion.

22 Q. (BY MR. STURR) So to close this out, as I  
23 understand your testimony, Mr. Sifferman, you believed the  
24 declaration that Mr. Beauchamp submitted on August -- that  
25 was -- that he signed on August 17th and was submitted to

MARK SIFFERMAN, 8/31/2018

1 the Court on August 18th was accurate, correct?

2 A. Yes.

3 Q. You believe that the representations that you  
4 heard Mr. Polese make to the Court regarding Clark Hill's  
5 representation of DenSco and Mr. Chittick were accurate?

6 MR. DeWULF: Object to form.

7 THE WITNESS: I can tell you this. What I heard  
8 at the hearing stated by the Gammage & Burnham attorney,  
9 and I don't know if it was Mr. Polese or not, it was  
10 nothing that they said that I thought was inaccurate.

11 Q. (BY MR. STURR) And you made no effort to -- let  
12 me ask you this. You don't recall learning at the hearing  
13 that Gammage & Burnham submitted a document to the Court  
14 which made certain statements regarding the privilege and  
15 which relied on Mr. Beauchamp's declaration?

16 A. I did not -- I know I did not see anything that  
17 Gammage & Burnham presented at the hearing.

18 Q. Are you aware today that a submission was made  
19 to the Court?

20 A. No. I don't know.

21 Q. And to be clear then, after the hearing, you  
22 weren't concerned about any statements Mr. Beauchamp had  
23 made to the Court or the receiver regarding the nature and  
24 extent of Clark Hill's representation of DenSco and  
25 Mr. Chittick with respect to privilege?

MARK SIFFERMAN, 8/31/2018

1 MR. DeWULF: Object to form.

2 Q. (BY MR. STURR) Let me -- that's a long  
3 question. Let me try it again.

4 A. Well, she can read it back. I think I can  
5 answer it as long as I hear it back.

6 MR. STURR: Why don't you read it back.

7 (The requested portion of the record was read.)

8 THE WITNESS: Correct.

9 Q. (BY MR. STURR) I see that in your time records  
10 there are no entries for the month of September. I will  
11 tell you it's Exhibit 454.

12 A. Yes.

13 Q. Is that correct?

14 A. Yes.

15 Q. Sorry.

16 Okay. Let me -- I'm going to hand you a few  
17 documents and ask you about them. I'm going to start with  
18 what's been marked as Exhibit 465. I'm going to hand you  
19 what has been marked as Exhibit 466.

20 MR. DeWULF: Thank you.

21 Q. (BY MR. STURR) I'm going to hand you what's  
22 been marked at Exhibit 468.

23 A. You said 468. I think you meant 467.

24 Q. 7. Thank you, Mr. Sifferman. And I'm going to  
25 hand you what's been marked as Exhibit 468.

MARK SIFFERMAN, 8/31/2018

1 MR. DeWULF: Thanks, Geoff.

2 Q. (BY MR. STURR) Okay. Before I go back --  
3 before we go to that, can I -- there is a question I  
4 forgot to ask you.

5 I was asking you before, Mr. Sifferman, about  
6 communications after the receivership hearing, and emails  
7 that Mr. Beauchamp received from Mr. Merritt and  
8 Mr. Polese.

9 Do you recall those questions I was asking you?  
10 I just want to set the timeframe here.

11 A. I believe so.

12 Q. Okay. Take a look at Exhibit 18. I'm sorry to  
13 have you pull out another book again, but if you -- are  
14 you with me on Exhibit 18?

15 A. Yes.

16 MR. STURR: John?

17 Q. (BY MR. STURR) Let's wait for Mr. DeWulf to  
18 catch up.

19 MR. DeWULF: I'm sorry.

20 MR. STURR: Blame Colin. He is the one that  
21 marked all these exhibits. If it were me, we would have a  
22 much smaller set.

23 MR. DeWULF: He did highlight things for me, so  
24 that was nice.

25 Q. (BY MR. STURR) Mr. Sifferman --

MARK SIFFERMAN, 8/31/2018

1 MR. STURR: Are you there, John?

2 Q. (BY MR. STURR) If you will go to the page  
3 that's Bates marked CH\_0008041.

4 Are you there?

5 A. Yes.

6 Q. These are time entries, including one on  
7 August 30, 2016, by Mr. Beauchamp. And if you look in the  
8 middle of that time entry, it says: Discussed issues and  
9 procedures with Mr. Sifferman, with M. Sifferman.

10 Do you see that?

11 A. Yes.

12 Q. Does that refresh your memory about any -- that  
13 you may have had -- it wasn't in your other timesheets, so  
14 I'm wondering if you -- if that refreshes your memory  
15 about any discussions you had with Mr. Beauchamp at the  
16 end of August.

17 A. I don't remember.

18 Q. Okay. Thank you. All right.

19 And I'm close to wrapping up, John, so we should  
20 be done, soon, and Mr. Sifferman.

21 Take a look at, if you would, then, at -- we  
22 were looking at the documents I just had handed you that  
23 were just marked, and Exhibit 465.

24 Are you there?

25 A. Yes.

MARK SIFFERMAN, 8/31/2018

1 Q. This is an email exchange between Mr. Beauchamp  
2 and Mr. Merritt. And if you look at the email chain  
3 revolves or evolves from a request for files you can see  
4 at the bottom, and Mr. Beauchamp writes to Mr. Merritt  
5 about that process.

6 And he said in his last sentence: I was  
7 really -- I was not really waiting for you. I just  
8 received instructions on Friday from my firm's General  
9 Counsel.

10 Do you see that?

11 A. I see that reference.

12 Q. Okay. If you go back to the billing statements  
13 that we were just looking at, Exhibit 19. Sorry. I've  
14 have got another exhibit in that book for you, that first  
15 book.

16 Exhibit 19 is a letter with an accompanying  
17 invoice. If you go to the third page marked 8030.

18 Are you there?

19 A. Yes.

20 Q. Mr. Beauchamp has a time entry on September 8,  
21 2016, which states in part: Discuss issues and procedure  
22 with M. Sifferman (2.8 no charge).

23 Do you see that?

24 A. Yes.

25 Q. Do you have a memory of having a lengthy meeting

MARK SIFFERMAN, 8/31/2018

1 with Mr. Beauchamp in early September 2016 relating to  
2 document production or other matters?

3 A. Not a lengthy one, no.

4 Q. Okay. You recall -- do you recall a meeting?

5 A. I remember discussing with David how to turn  
6 over the client files.

7 Q. Okay. Is that all you recall discussing?

8 A. I'm sorry. Say that again.

9 Q. I don't want to delve any further into the  
10 substance of the conversation, but that's what you can  
11 recall was the substance of the conversation was about  
12 turning over the client files?

13 A. Yes.

14 Q. Okay. If you go to Exhibit 466. We are done  
15 with that.

16 Exhibit 466, Mr. Sifferman, is an email that  
17 Mr. Beauchamp sent to Mr. Merritt on September 14. And at  
18 the bottom of that email, he -- he states: My firm had  
19 limited my review to the files concerning the update to  
20 the POM and to the Loan Workout file with Scott Menaged.

21 A. I'm sorry. Where are you?

22 Q. I'm sorry. I should have pointed it out. In  
23 the bottom part of the page, Mr. Beauchamp wrote -- it's  
24 the part that begins "Kevin."

25 Do you see that?

MARK SIFFERMAN, 8/31/2018

1 A. Yes.

2 Q. In that first paragraph, three lines up from the  
3 bottom: My firm had limited my review to the files  
4 concerning the update to the POM, P-O-M, and to the Loan  
5 workout file with Scott Menaged.

6 Do you see that?

7 A. Yes.

8 Q. And then he says below, in the next paragraph:  
9 I had forwarded the DenSco files to your office before my  
10 General Counsel approved sending them. I have now been  
11 advised that I should have gone through them before  
12 sending them to you.

13 Do you see that?

14 A. Yes.

15 Q. Is that -- are those among the subjects that you  
16 discussed with Mr. -- Mr. Beauchamp in your meeting on  
17 September 8th?

18 A. I don't remember.

19 Q. Okay. Exhibit 467, Mr. Sifferman.

20 Exhibit 467 is a letter and email that -- or an  
21 email and letter, rather, that Mr. Anderson, the  
22 receiver's counsel, sent to Mr. Beauchamp on  
23 September 16th regarding the previous demand for Clark  
24 Hill's files. I don't see that you are copied on it.

25 A. I'm not.

MARK SIFFERMAN, 8/31/2018

1 Q. Okay. The -- the next -- if you turn to  
2 Exhibit 325.

3 A. 325.

4 Q. I'm just trying, as best as I can, to recreate  
5 your memory of certain events.

6 Are you there at 325?

7 A. Yes.

8 MR. STURR: I will wait for Mr. DeWulf.

9 MR. DeWULF: Thank you.

10 Q. (BY MR. STURR) Exhibit 325, Mr. Sifferman, was  
11 previously marked, and it's another email exchange between  
12 Mr. Beauchamp and Mr. Merritt. This is now September 23.

13 And Mr. Beauchamp wrote at the middle of the --  
14 middle part of the email to Mr. Merritt, and this is  
15 regarding the receiver's demand for documents, and he  
16 says: I just talked to Mark Sifferman, who is just back  
17 today after a couple weeks in Italy -- which may explain  
18 why you have no memory of -- or was involved in those  
19 earlier communications. Mark does not want me to spend  
20 the money to digitize the files for the Receiver and he  
21 does not want me to spend the time to review all the files  
22 for attorney-client information. He just wants me to  
23 review and make copies of the portions of the file that I  
24 need to protect against a securities claim against me and  
25 the firm. Since that is different than what you and I had

MARK SIFFERMAN, 8/31/2018

1 discussed, I wanted to make sure that you knew what I am  
2 being told to do.

3 Do you see that?

4 A. Yes.

5 Q. Is Mr. Beauchamp's statement of the instructions  
6 or advice he received from you accurate?

7 A. Not completely. My memory is that Gammage &  
8 Burnham wanted a copy of all the files or they wanted us  
9 to digitize them, and I said we are not going to pay for  
10 digitizing the files.

11 I don't remember -- I don't remember talking to  
12 David about his review of the files or any limitation on  
13 his review. I told him to have all the DenSco files  
14 gathered, and I went through them.

15 Q. Well, we will get to that in a second, but did  
16 you -- did you tell -- did you finish answering? I didn't  
17 want to cut you off.

18 A. I did, but -- and I didn't tell him, I don't  
19 remember telling him to make copies of the portions of the  
20 file that I needed to protect against a securities claim.

21 Q. Take a look at Exhibit 468, if you would,  
22 please, Mr. Sifferman.

23 Exhibit 468 is an email that Mr. Merritt sent to  
24 Mr. Beauchamp on September 23, and he is responding to the  
25 exhibit we just looked at with respect to Mr. Beauchamp

MARK SIFFERMAN, 8/31/2018

1 had told Mr. Merritt about his communications with you.

2 And Mr. Merritt asked if he can disclose that  
3 information, and Mr. Beauchamp writes: We should wait on  
4 that until after my meetings on Monday and Tuesday in  
5 Ohio. I will try to get some clarification on that  
6 direction.

7 Do you see that?

8 A. Yes, I do.

9 Q. Did you take part in any meetings with  
10 Mr. Beauchamp in Ohio around this time period?

11 A. No.

12 Q. Okay. Take a look at --

13 A. Well, hold on one second. The only reason I  
14 hesitated, there was a firm retreat in Cleveland, Ohio,  
15 but...

16 Q. It was around this time period?

17 A. It might have, but I don't -- it might not have  
18 been then, but I had no meeting with David in Ohio about  
19 anything about DenSco.

20 Q. At some point, Mr. Sifferman, did you have  
21 occasion to have an in-depth interview of Mr. Beauchamp  
22 about the representation of -- his representation of  
23 DenSco and potential claims against the firm?

24 A. No.

25 Q. Okay. Let me ask you to take a look at 326, if

MARK SIFFERMAN, 8/31/2018

1 you have that in front of you.

2 Do you have that in front of you, sir?

3 A. Yes, I do.

4 Q. This is an email that Mr. Merritt sent to  
5 Mr. Anderson and Mr. Beauchamp and others on September 23,  
6 2016.

7 Do you see that?

8 A. Yes.

9 Q. You are not copied on it.

10 A. Correct.

11 Q. And I want to draw to your attention the second  
12 paragraph, where Mr. Merritt refers to his earlier email,  
13 indicating: we did not object to the delivery of the  
14 files to the Receiver, but requested copies of selected  
15 items where advice was provided that we might characterize  
16 as "dual" (i.e., delivered both to the corporation and to  
17 Denny individually). David appears to have attempted to  
18 define the nature of those matters.

19 Do you see that?

20 A. Yes, I do.

21 Q. This is another instance, Mr. Sifferman, in  
22 which Gammage & Burnham appears to be taking the position  
23 that Clark Hill represented Mr. Chittick individually.

24 was this email brought to your attention by  
25 Mr. Beauchamp?

MARK SIFFERMAN, 8/31/2018

1 A. No.

2 Q. Okay. Take a look at Exhibit 469.

3 Oh, we don't have it. Here it is.

4 And let me go ahead and just to speed things up,  
5 I'm going to hand you 470.

6 A. Okay.

7 Q. Okay. Mr. Sifferman, Exhibit 469, let's start  
8 with that, that's an email from the receiver's counsel,  
9 Ryan Anderson, to Mr. Beauchamp and others that was sent  
10 on October 7, 2016, and it's regarding the production of  
11 files in -- DenSco's legal files in Clark Hill's  
12 possession.

13 And the email concludes by saying: I have been  
14 directed to seek the intervention of the Court, if a  
15 complete production of the files is not made to the  
16 Receiver on or before Tuesday October 11, 2016.

17 Do you see that?

18 A. Yes.

19 Q. Back at Exhibit 454, your time records, I see  
20 that you have time entries in October that begin on  
21 October 7, 2016.

22 A. Actually, October 4th.

23 Q. October 4. Excuse me.

24 But then at this time period you devote a  
25 considerable amount of time to reviewing the files and

MARK SIFFERMAN, 8/31/2018

1 producing them?

2 A. Yes.

3 Q. Okay. Was your work occurring in part because  
4 of the demand made by the receiver's counsel through  
5 Exhibit 469?

6 A. I am not sure I was aware of a demand. I was  
7 aware that the receiver wanted -- the receiver's attorney  
8 wanted to turn over the client files.

9 Q. Okay. And you -- I think you testified earlier  
10 that -- did you personally review the files?

11 A. Yes.

12 Q. Okay. Tell me, what did -- how did you go about  
13 doing that?

14 A. I instructed David to have himself or his staff  
15 or both to gather all the DenSco files, put them -- they  
16 were put in an office so I could review them, make sure  
17 they were complete.

18 Q. And that was the purpose of your review, was to  
19 make sure they were complete?

20 A. Right.

21 Q. And did you actually personally go through and  
22 review every file?

23 A. I -- I hesitate to use the word "review." I  
24 looked at what was in the files to see if they appeared to  
25 be complete, that there were no gaps in dates, but

MARK SIFFERMAN, 8/31/2018

1 substantively, no, I didn't make that kind of review.

2 Q. Okay. And Exhibit 470, which I have just handed  
3 to you, let me note for John's benefit that we have added  
4 a receiver number to this. It will be included in our  
5 next disclosure statement, which is going to come out in a  
6 couple weeks, but this is -- I don't know where -- we  
7 received it from the receiver, but it didn't previously  
8 have a receiver on it, so...

9 MR. DeWULF: 470 you are talking about?

10 MR. STURR: Yes, 470. Okay?

11 Q. (BY MR. STURR) So Exhibit 470, Mr. Sifferman,  
12 is a letter that you authored to Ryan Anderson?

13 A. Yes.

14 Q. And it includes a list of the files --

15 A. Yes.

16 Q. -- contained in six boxes.

17 And you state: We believe these are all the  
18 firm's files regarding DenSco's legal work. However, you  
19 are going to double-check, correct?

20 A. Correct.

21 Q. And then there is an accompanying index.

22 How did -- did you personally, were you  
23 personally involved in -- let me ask you about the letter  
24 on the index first.

25 As you went through the files and -- and -- and

MARK SIFFERMAN, 8/31/2018

1 reviewed them, did you find any -- any documents that  
2 indicated that the -- Clark Hill had represented Denny  
3 Chittick in an individual capacity or given him advice in  
4 an individual capacity?

5 MR. DeWULF: Object to form.

6 THE WITNESS: I don't remember seeing any  
7 material about -- to Denny Chittick or about Denny  
8 Chittick that wasn't related to DenSco.

9 Q. (BY MR. STURR) Okay. As you -- as you went  
10 through the files, did that exercise cause you to question  
11 the statements that Gammage & Burnham's attorneys had made  
12 that there was a joint representation of DenSco and  
13 Mr. Chittick individually?

14 MR. DeWULF: Object to form.

15 THE WITNESS: I don't -- I can't say that I made  
16 that distinction, that I had that distinction in my mind  
17 when I was reviewing the documents in October.

18 Q. (BY MR. STURR) Okay.

19 A. So, no, nothing I saw in the file made me  
20 concerned.

21 Q. Okay. Did -- were you involved in causing the  
22 files to be delivered to the receiver?

23 A. I dictated the index.

24 Q. I guess what I am getting at, did you personally  
25 deliver the -- these files?

MARK SIFFERMAN, 8/31/2018

1 A. No.

2 Q. You did not.

3 Did you ever meet with Mr. Anderson?

4 A. No.

5 Q. Did you speak with Mr. Anderson about delivering  
6 the files to him?

7 A. I don't think so.

8 MR. STURR: Okay. I don't think I have any  
9 other questions for you, Mr. Sifferman. Thank you.

10 MR. DeWULF: Thank you.

11 VIDEOGRAPHER: The time is 12:00 p.m. We are  
12 ending the deposition with media two.

13 MR. DeWULF: We will read and sign.

14 (12:00 p.m.)

**IN RE: DAVIS VS. CLARK HILL PLC**  
**CASE NO.: CV2017-013832**

Dear Mr. Sturr:

Attached please find the original transcript of the deposition of **Mark Sifferman**, taken in the above-referenced matter. The deponent signed the signature page and corrections were made.

If you have any questions, please don't hesitate to contact me.

Very truly yours,

JD Reporting, Inc.  
  
Jane M. Doyle

Enclosure

MARK SIFFERMAN, 8/31/2018

1 A. No.

2 Q. You did not.

3 Did you ever meet with Mr. Anderson?

4 A. No.

5 Q. Did you speak with Mr. Anderson about delivering  
6 the files to him?

7 A. I don't think so.

8 MR. STURR: Okay. I don't think I have any  
9 other questions for you, Mr. Sifferman. Thank you.

10 MR. DeWULF: Thank you.

11 VIDEOGRAPHER: The time is 12:00 p.m. We are  
12 ending the deposition with media two.

13 MR. DeWULF: We will read and sign.
