From: Tzvia Wexler

Closing out the year, I am very pleased to share that I raised funds to honor you and the Beth'El community for all you do for the IDF soldiers. The funds will be used to build a Club for the soldiers in the Yoav Brigade. This will give them a place to relax and rewind after their training and standing guard.

This honor is well-deserved for your leadership and the community spirit that you have helped developed over the ten years that FIDF has had a presence in the PA/SNJ region.

Plaque wording:

**This Club Was Built
In Honor Of
Rabbi Debra Bowen, Dr. Earl Bowen
& the Beth'El Community
For their dedication and support of the IDF
soldiers**

BYOM RECAP

Rabbi Baruch Yehudah Daresha Recap 12/26/20

Theme: **Y-H is requiring more of me**

Gen 17:1

- Walk before ME and be thou perfect.....
Why is it, that the ETERNAL would require more of us? We are the people of the covenant. GOD requires more of you.

*Isa. 51; Isa 56; Deut 6; Deut 28;
Lev 10:1 Isa 40:21*

-The torah is a blue print. If you want to get it right you have to do it like Avraham

and Sarah. Go above and beyond the normal and the mundain. You've got to do that which is **good and right**.

- When GOD has blessed your covers, bless your brothers who you know is hungry, be happy to do it; **good and right**.

-Keep the law. Love GOD with all your heart. HE won't take nothing less;(above and beyond). No excuses!

- We forgot when we got into that land. We saw the goodness, we were all happy, we were excited, and we forgot THE GIVER. Now GOD is giving us another opportunity to get it right. HE'S blessing us; allowing our children to come unto HIM.

- This pandemic made us sit still over the earth. Our children have been bettered by this COVID HE'S making a perfection in our offsprings. They are about to be HIS servants for the goodness in the earth.

-Terror has not yet come. It's coming. If you do the thing right HE will hide you in the day of trouble; in HIS pavilion, in the secret place.

-The same GOD who delivered us out of Egypt is the same GOD who is delivering us right now. We are commanded to keep the laws, and judgements, for our good. This does not benefit GOD, it benefits us. When everything is gone HE still lives forever.

-If you're not happy or joyful when the Shabbat comes then you're not keeping the Shabbat.

-The closer you are to the MOST HIGH the less HE will accept foolishness. GOD is requiring more of us

-The best thing you can do is run to GOD. HE is the one to hold on to. HE'S the one who gives power to the faint, (**call GOD**). HE will renew your strength when you feel faint, don't have stamina, (**call on GOD**), problems in school, with your parents, with your friends, (**call GOD**).

Kohen Azriel Cooper The Most HIGH called Abraham from his father's house. He endured all manners of trials, yet he stayed the course. The MOST HIGH didn't want mediocra from him he had to go above and beyond.

-When you say your morning prayers this particular portion is in your prayers every morning.

-Like the MOST HIGH required more from Abraham HE requires more from us.

-Lam. 3:21-23 When you wake up in the morning (Modeh/modah ani....should be recited.)

-The MOST HIGH is being faithful to us every morning, give the MOST HIGH your all

-Psalms 15 How we start our day is important.

Heshvan Gladden WORDS OF ENCOURAGEMENT

There's no better time than now to create your place in the world even though you're young you go through life as well. Some good days and some bad. Figuring out life is sometimes scary but its exciting. I encourage you to always be teachable. Never be scared to ask questions and learn from the people around you. Never stop growing and evolving even on the days that you don't think you can't make it through. Learning to prioritize your mental health as early on is essential. Remember that the ALMIGHTY has a way of turning it around. Everyday is a new beginning. Never forget that no matter how your story starts you decide how it develop.

- God sent us in the mist of a people that HE said won't respect the old nor show favor to the young. GOD has been good to us in these cities that we live in. Thank the MOST HIGH for life and don't take life for granted.

- The fact that you're all here is a testament to your parents because they instilled in you that GOD did not create you to hang out on the corner and sell drugs. Give thanks to your parents that they put you in your path. Your potential to grow does not matter whether you are a male or a female. But how you apply yourself to GOD.

-It's that parent that put you on your knees. If you have a parent in your house tonight go give them a hug, and thank GOD for their life. It's your parents and spiritual leader that prepares you to be acceptable before GOD.

-Abraham experienced GOD as an older man, but Yitzchak and Yaacov were taught about GOD from the beginning but they experienced GOD later. The reason they were able to experienced GOD was because of their parents.

-More is being required from you.

-Older people will tell you that GOD is the only way. So when you sing, sing loud and when you praise GOD, praise HIM like you mean it. GOD will bless you for it and your parents will be proud of you. GOD's going to bless you even more.

Chaya Plummer

Let my soul live and it shall praise thee. Teach me of thy word. One more day one more step. I'm preparing you for myself. When you can't hear my voice please trust my plan I am the Lord I understand

Skipn' rocks on the Nile, I do*

*I saw the Egyptians were up to no good
Not treatn' Israel as good as they should*

*I killed one little punk & I got scared
And said I'm running to the mountains & just stay they*

*I whistled for my horse as we came near
Sisters of beauty, by a well did appear*

*One took my breath & I thought, this weird
But I smiled to myself, This is home. I'm here!*

*GOD called me from a fiery bush HE made
And told me, Speak the Words HE gave*

Fresh Prince theme song karaoke

*I grew up as a prince in Paroah's palace
Raised by his daughter, nursed by my mother
As I grew into manhood, I found who I was
GOD pricked my heart to help HIS people*

*How they were mistreated everyday
Moshe didn't like what was happening to
them
Beatings, Sufferings, they need breakthrough
I tried to help my people but I went too far
Killing an Egyptian soldier who was up to no
good*

*Thinking no one saw but someone told
Fear came upon me and so I fled
I fled Mitzraim to the wilderness of Midian & wed
I was minding my own business when I saw a
flame
A flaming bush with a voice coming out saying my
name*

*In my mind I said, this must be surreal
I was told NO SHOES, HOLY ground conceals
God said, I heard the cry of Yisrael, it won't
disappear
What would you have me to do? God, I'm
listening here
Take you brother Aaron, give Paroah my words
I AM, that I AM, let my people go, **YOU HEARD!***
