SHIPPING & HANDLING: \$15.00

TOTAL COST: \$54.00

DESCRIPTION: This is the first bow that I ever owned, and I have kept it all these years. All of my grandchildren have their own bows, so I hope this one finds a good home. This bow has been reconditioned. Made from hickory. Bow is structurally sound and has no cracks; limbs are straight. There is a brush rest (shown) that comes with it and can be attached to either the right or left side. Tips are in great condition. Comes with the new string shown and a bottom tip protector.
