#GIVINGTUESDAY

For the third year, we are proud to again participate in **#GivingTuesday**, the national movement that kicks off a season of charity and philanthropy. Traditionally, held the Tuesday after Thanksgiving, many Americans show their generosity of spirit by supporting local charities and non-profit organizations through online donations during this season of giving. The Worcester County Education Foundation (WCEF) is participating alongside many other local charities in **#GivingTuesday** through The Community Foundation's *The Shore Gives More* Campaign.

As a friend of the Worcester County Education Foundation, we ask that you please support us and the students of Worcester County by visiting:

<https://www.shoregivesmore.org/WorcesterCountyEducationFoundation> **on Tuesday, December 3, 2019**, to make a donation of your choosing. We also encourage you to please spread the word of this campaign with your friends and family through social media, so we can reach others embracing the **#GivingTuesday** spirit.

Also, we are asking that you either schedule your donation or plan to give during the hours of **8:00 - 9:00 a.m.** to earn the Donor Surge prize! If we have overwhelming support during this hour, the Foundation can receive additional prize. Thank you for your support!!

Sincerely,
Karen Marx
