To the Sherburn and Welcome City Councils,

The department logged 154 calls for service for the month of July. This brings the total for the year to 1,194. During the same reporting period, we logged 874 in 2013 and 839 in 2012.

Average response time for the month was two minutes and thirty-five seconds. This is about average for what the department typically does. While it does fluctuate slightly, the response time remains steady for the most part and is well within the acceptable range for response.

A total of sixteen citations were issued for the month. This does not include offenses that required a formal complaint being prepared by the attorney's office. Nine of the offenses were traffic related with the remaining seven being issued for other violations.

The Welcome Festival was held in the month of July. The department did respond to a few significant calls during the event, but it was fairly quiet for the most part. The weather was excellent throughout the week-end and overall it was a success.

I hope everyone enjoys this last month of summer. School starts in just over three weeks and cooler weather will be on its way.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes".
