CRITICAL ILLNESS
SUPPLEMENTAL
HEALTH INSURANCE

*Protecting your family,
finances and future.*

Day-to-day life is complicated enough all on its own. So when you're facing the extra stress of a critical illness, you're better off when you can keep your financial worries to a minimum.

A supplemental health insurance policy can help you protect your family, finances and future in your time of need. Washington National **Critical Solutions**[®] offers benefits you can use to pay for the expenses associated with a critical illness diagnosis and treatment.

Select the right critical illness coverage in two easy steps:

STEP 1: Choose from three coverage types.

1. **Critical illness cancer only** provides payment when cancer is diagnosed.
2. **Critical illness without cancer** provides payment when a heart attack, stroke or end-stage renal failure is diagnosed.
3. **Critical illness with cancer** provides payment when cancer, heart attack, stroke or end-stage renal failure is diagnosed.

STEP 2: Choose from two benefit options.

1. **Option A** offers you a lump-sum benefit payment of \$10,000 to \$70,000.
2. **Option B** offers you a lump-sum payment of \$10,000 to \$70,000—plus additional indemnity benefits that provide extra protection against covered critical illnesses.

PLUS, YOU CAN CHOOSE THE **CASH VALUE RIDER**, AN OPTIONAL BENEFIT THAT CAN RETURN YOUR PAID PREMIUMS.

How would you pay for the out-of-pocket expenses of a critical illness?

If you're like many Americans, you have just a few options:

- Spend your savings.
- Sell your assets.
- **Buy supplemental insurance to protect your family, finances and future.**

Benefits	Option A	Option B
Lump-sum benefit	■	■
Wellness benefit		■
Hospital confinement		■
Consultation benefit		■
Radiation and chemotherapy*		■

Premium amounts vary based on the coverage, option and lump-sum benefit amount you select.

Your supplemental coverage comes with these important assurances:

- Your benefits are **paid directly to you** or to whomever you choose, unless otherwise required.
- Your benefits are **paid regardless** of any other insurance you carry.
- Your rates **cannot be increased** unless all rates of that kind are raised in your state.
- Your policy is **guaranteed renewable for life** as long as premiums are paid on time.
- Only you can cancel your coverage.

CASH VALUE RIDER

This rider can return your premiums to you.

With the Cash Value rider, you can receive a one-time check for all premiums paid, minus claims incurred, at the end of 25 years or on the rider anniversary date following your 65th birthday, if that comes sooner.

The only requirement to receive the rider's benefits is to keep your policy and the rider in force until the policy matures. Beginning with the sixth year, upon surrender of the policy, you will receive a percentage of premiums paid, minus claims incurred. The longer your rider is in force, the larger this percentage becomes.

This optional rider has an additional cost. This rider may be purchased through age 49, based on your age at issue. This rider is not available with policies that are purchased as part of a Section 125 plan.
