July
**ARTIST of the
MONTH**

Thacker Hollow Studios was created by April Lentz. Art has always been a passion for April, she loves painting with many mediums, crochet, building tiny houses, cooking crazy cakes, and decorating to the nines for any family party they will let her loose on. The complete obsession with the artistry of old fashioned soap making with a bright and colorful twist, led April to create the products she makes now. Colorful and beautifully scented soaps made with 6 natural oils and butters, water & lye. Most soaps take a month on the racks to cure before they are ready for sale. April runs a handmade small batch artisan soap workshop, where she makes soaps, body butters, bath bombs, and so much more are created in the Historic Masonic

Temple. She has been a member of the Zanesville Farmers Market For 3 years and they are now located on 3rd St on Wednesdays and at Adornetto's on Saturdays.

April is a mother of 4 beautiful children, Tri-Valley band booster member and wife of a loving and patient husband! The name Thacker Hollow was borrowed from her husband's late beloved Grandfather who created the most beautiful hand carved wooden birds.

Her products can also be found on her website at www.thackerhollowstudios.com

Linda Regula

Linda Regula, a long time member of the Artist Colony of Zanesville, passed away Saturday, June 13, 2020. She put her whole heart into helping those in need and making everyone feel welcomed. Her passion lives on through all the lives she has touched.

Her family has asked that if you would like to honor Linda, to please donate to her "You Will Rise Project," an anti-bullying organization that Linda and artist Paul Richmond started together. The mission of the "You Will Rise Project" is to provide a multimedia showcase for people of all ages who have been bullied to share their stories through the arts.

August First Friday

ArtCoZ will be celebrating Linda Regula for the August First Friday ArtWalk. ArtCoZ is asking artists to create a piece of art inspired by Linda and have it on display at their studio during the Artwalk. After the Artwalk the art will be donated to "You Will Rise Project". Please contact ArtCoZ President, Kristen Brown (740-607-8560) for more details.

Yan Sun Art Museum

Yan Sun Art Museum to celebrate the Independence Day with a new virtual exhibition!

"America the Beautiful - Landscape Paintings" is Yan Sun Art Museum's annual patriotic theme exhibition.

The beloved exhibition attracts numerous visitors every summer. This year, it is a virtual exhibition on YouTube: "America the Beautiful - Landscape Paintings and More." The virtual exhibition features plein air paintings by Yan Sun that depict rivers and lakes, mountains and hills, forests and farmlands, as well as landmarks of America. His inspiration comes mainly from the natural environment and architectural heritage of this country.

To better practice social distancing, Yan Sun Art Museum will not open on the first Friday of July. The public is cordially invited to view the virtual exhibition on Yan Sun Art Museum's YouTube channel in July 2020.

The ZAAP Gallery

The ZAAP Gallery presents featured artist Alexis Kittel, an Art Education student at Kent State University. Most of her show is a collection of what Alexis has produced as an art student. "I have learned so much at Kent State and I cannot wait to teach it all to other people. My college journey has been an interesting one, switching between Theater, Biology, and finally finding my calling in Art Education. I hope you can make it to the gallery so that you can share my college journey with you."

"Thank you to all who have supported me through my college journey. My wonderful family, my loving and supportive partner, and of course to RoseMary, for giving me this wonderful opportunity to share my art with everyone."

New Business

Carbon - Art/Food Collective

Carbon is much more than a gallery of art as our name suggests. Ike Carr says, "Our concept has been to open a facility that would allow us to share our art, provide a platform for other artist to share theirs, along with a learning center that will teach anyone interested. We plan to provide a very relaxed and creative social setting that will allow groups to come, hangout, enjoy visual art, music, small plates of food and refreshment cocktails."

Our name Carbon, is the essential element to life and all that we know. We feel like art is the same, so fittingly we chose that name to describe who we are."

Located at 126 Muskingum Ave.
Bottom floor under Weasel Boys and Girl Up-cycled

ArtCoZ Against Racism

ArtCoZ is an organization of integrity and inclusivity and will not tolerate acts of racism in any form. We are a diverse group of artists who do not discriminate against: race, background, ethnicity, gender, sexual orientation or faith. This organization strives to bring the people of our community together through the love and celebration of art. We support Black Lives Matter, the LGBTQ community, and all the diverse lives of our members.

Now is not a time to divide. Now is a time to unite and stand up against racism. Now is the moment to create art that will bring light and heal the wounds caused by these hateful times. We hope that you will join us in our stance and rise above hate.
