

TRAINING LOCATIONS

WPAG has a world partnership and access to modern training facilities and offices in Germany, Calgary, Singapore, China, Russia, Brazil, and Cape Town.

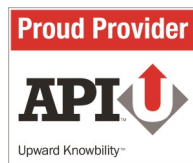

Registered Professionals achieve the highest designation, certification and credentials in the industry

OUR COMMITMENT

WPAG is an IACET Accredited Provider (AP) for industry training. Upon successful completion of qualifying programs, participants will receive a unique Registered Professional Number (RPN) and credentials which are recognized throughout the industry.

INDUSTRY AUTHORIZED PRO-

WPAG is an API-U Authorized Training Provider and an IACET Accredited Provider for Continuing Education Units (CEU) for our training programs. Developing programs for API-U, COS, major Universities and other private and public institutions. We work closely with operators, service providers and private institutes to develop the industry training programs. The Registered Professional Network™ (RPN) is trademarked by WPAG. RPN allows the industry to track all Registered Professionals in the Petroleum, Oil and Gas Industry as well as their areas of expertise.

NETWORK & DESIGNATIONS**

Registered Professional Network (RPN)

WPAG REGISTERED PROFESSIONAL NETWORK™. WPAG has worked with educators and accreditation bodies to develop REGISTERED

PROFESSIONAL NETWORK™ for the Petroleum, Oil and Gas Industry. This network includes unique registration

numbers for each professional designation received through WPAG and allows the industry to locate Registered Professionals for their areas of expertise.

The Mark of Competency

REGISTERED PROFESSIONAL IS THE MARK OF COMPETENCY IN THE PETROLEUM OIL AND GAS INDUSTRY. The RP official, trademarked logo along with the unique registration number is the mark of Competency in the Petroleum, Oil and Gas Industry. This mark represents an individual who underwent a program meeting the Competency-Based Certification Program, which is the highest level of competency in our industry. WPAG offers certifications and registration numbers for API Q1, API Q2, SEMS, CPQP, CPSP, Risk Management along with many other topics, to include product specifications. You can validate the competency by visiting a public portal, that tracks individual registration numbers and certification status. WPAG is the only educational institute who has such programs, backing up their mark with true competency assessments and competency based program, which are evaluated during our accreditation process.

Visit us on the web for our latest training calendar:
