

Sweet Success Express 2018: Prevention – Return on Investment

Embassy Suites Anaheim South, Garden Grove, CA - Nov. 7-9, 2019

INVITATION TO SUBMIT PROPOSALS

Submission Timeline - August 15, 2019

Sweet Success Express (SSE) and SSEP invite you to submit a proposal for consideration for the Poster Session at the 2019 SSE Annual Research Conference to be held at the Embassy Suites Anaheim South in Garden Grove, California on November 7-9, 2019. The **Sweet Success Express 2019: Perinatal Diabetes – Focus on Patient-centered Care** conference will address current published and unpublished research and focus on management topics in keeping with the program themes. The program will integrate concepts of prevention, motivation, intervention, new technology, multidisciplinary team approach to care, self-management education and treatment modalities. With the field of diabetes and reproductive health expanding, the focus is on preventing:

- or delaying the onset of future diabetes for women with gestational diabetes
- future complications for women with preexisting diabetes
- type 2 diabetes and/or obesity for the infants of mothers with diabetes.

We invite you to submit an abstract or poster for this dynamic and exciting meeting.

SSE and SSEP are pleased to invite you to submit an abstract of original investigations for consideration for a poster session. The author of the two top rated abstract submissions will be invited to provide a 20-minute Oral Presentation. The two Presenters will receive a free Conference Registration.

Abstracts should constitute recent original research (clinical studies, basic investigation and animal studies are equally encouraged) in the field related to diabetes in pregnancy. The content may include portions of prior abstracts and/or manuscripts submitted or presented elsewhere.

Abstract Categories

- Nutrition, Exercise and Weight Gain
- Motivational Interviewing
- Prevention of Diabetes in Pregnancy
- Translational Research in Diabetes
- Fetal/Neonatal Complications
