From the Owners:

The last month has been exciting and flew by. We have been busy setting up our classrooms and are very eager to share them with you. All of our paperwork has been submitted to the state and we are anxiously waiting for our inspection date.

The phones have been ringing and our emails have been busy too. We are now scheduling tours and sneak peaks. Feel free to give us a call to stop by and check out what we have been up to. Everyone is welcome and we would love to share even if you don't have a little one. We hope to see you all very soon.
