Update is a monthly letter sent to the friends and supporters of Mt. Salem Revival Grounds.

April/May, 2020

Dear Friends and Supporters:

As America is slowly coming out of the Coronavirus lockdown, we are praying that we will be able to open camp this summer. As you can see from the backside of this newsletter, we have used this "stay-at-home" time to get the camp ready for summer.

For our staff, it is the highlight of our year to see all the church vans and buses roll in for summer camp at Mt. Salem Revival Grounds. One of the most exciting events each week are the decisions made by so many young people for Christ during the preaching services.

Many churches and individuals have already pre-registered to attend this summer, and others who plan to register, are waiting to see when camp will open. We hope soon to hear the outcome of the C.D.C. guidelines for campgrounds and to hear from Jim Justice, Governor of West Virginia. Our staff is taking every precaution to ensure your safety during your stay here. Recently, our local health department told me that opening up the first of June could be "iffy." If we are unable to conduct our June camp weeks, we have a Plan "B" Schedule for July. Mt. Salem is issuing the Plan "B" Schedule in advance so that if you were coming to camp in June this new schedule would give your church time to consider rescheduling a camp week in July.

Plan "B" Camp Schedule for July:

JUNE 29 - JULY 3 - YOUTH CONFERENCE

JULY 13 - 17 - JUNIOR/YOUTH WEEK I (normally Junior Week II)

JULY 20 - 24 - JUNIOR/YOUTH WEEK II

Junior/Youth Weeks are designed for smaller churches to bring both juniors and teenagers. Due to our possible change in schedule, we are allowing churches to bring either juniors only, teens only or both to these Junior/Youth Weeks. Separate dorms, games, and services are conducted for each age group. Please feel free to phone our camp office at 304-873-2315, if you have any questions.

Thank you for your prayers and support.
