## CAMPAIGN PRECINCT — Waskah Whelan

I know you've heard this before, but the upcoming election is *a very important election . . . the most important election of our lifetime!* Yes, we've been saying this for decades, and it has always been true. But today, it is critically true! We need for all Republicans to make a plan. We have just 26 weeks until the March 5, 2024, primary election. What are you doing to prepare?

If each of us promises to do something to help Republicans each week, we can really make a difference! Okay, you can take a week off for Thanksgiving, and a week off for Christmas and New Year's Eve (or any other important holiday you observe). That leaves us with **24 opportunities to make a positive contribution to the candidates you would like to see win in 2024.**

There are many opportunities to volunteer to help candidates directly. I have included a list of 24 activities in which you can be involved. I will work to have sign-up sheets at our meetings, but each of you can organize your own activities with friends and neighbors. Anything you come up with, we will publish in the Newsletter in a *Victorious Volunteers* section. (*It ain't braggin' if it's true!...Dizzy Dean*)

# 24 Ways TO MAKE A DIFFERENCE IN 2024

1. Volunteer for a candidate!
2. Stuff envelopes for a candidate.
3. Phone bank/text thru GOP HQ.
4. Attend candidate fundraisers.
5. Use your social media to post about your candidate.
6. Host coffee or wine party for a candidate.
7. Walk a precinct for a candidate.
8. Write postcards for candidates or to elected officials.
9. Join a sign rally for candidate.
10. Use CA Vote-By-Mail laws to legally harvest Republican ballots.
11. Organize a drive-thru voter registration event.
12. Distribute door hangers for GOTV volunteers thru SDGOP HQ Program.
13. Educate others on important legislation/bills.
14. Organize letter stuffing Reform CA event at your home.
15. Assist voters with Vote-By-Mail ballots.
16. Deliver and post candidate yard signs.
17. Circulate petitions.
18. Donate! Even \$5 can help.
19. Make sure your friends and family vote.
20. Attend or host debate watch party.
21. Drive young campaign volunteers to and from walk sites.
22. Volunteer to be a poll worker.
23. Stay informed and always project a positive attitude.
24. Encourage friends and former volunteers to get involved!

**There are 52 California House seats up for election in November 2024.** Republicans hold the House now by a slim margin of 222 to 212, but we definitely want to keep it in Republican hands. *"This year, Democrats face a tough map if they hope to regain control of the House, while Republicans have a slight advantage in growing their majority,"* recently reported USA Today.

We can work to help any of the 52 CA seats stay Republican or go Republican. When races are close, even the smallest amount of extra help or money pays big dividends. So let's pay attention and work to help Republicans win in any way we can. Plan #1 is to keep the Republican majority in the House!

## SEPTEMBER SPEAKER — Irene Hancock

I'm really excited about our guest speaker for our September meeting. There's NO doubt in my mind you're going to enjoy hearing from Christian Hartsock. He was the longest serving veteran of an undercover news organization, and broke many of its top stories including: exposing the Clinton campaign's secret operation to incite violence at Trump rallies, revealing what CNN contributor Van Jones really thought about the Russiagate "nothingburger" hoax, and efforts by high-level Google executives to interfere in the 2020 election.

**Christian Hartsock**

Hartsock produced B-roll for the ACORN investigation in 2009, and became a creative collaborator with James O'Keefe. As Chief Investigative Reporter for Project Veritas, Christian recruited, trained, and mentored undercover journalists, directed and conducted undercover investigations, reported from the field, and confronted fake journalists and censorious tech executives on camera.

Christian grew up in Oakland, California, where he earned his B.A. in Film and Video Production at Brooks Institute in Santa Barbara. He currently resides in Los Angeles.

A graphic featuring a quote from the Bible. The background is an abstract, marbled pattern in shades of blue, white, and gold. The text is centered and enclosed in a thin gold border.

He straightened up and said to them:  
"Let anyone of you who  
is without sin be the first  
one to cast a stone."

John 8:7 NIV

There's something to be said about that Bible verse. Especially right now. So much mudslinging, so much hate spewing. HE said, HE did, THEY did, THEY said. My head and brain feels like I'm at a tennis match with the bouncing back and forth. I can't take it anymore! There is a blessing in being out of the country — you don't get as much of the blow by blow, and it's only a 30-second sound bite.

Last month, I touched on how the political season was upon us. It seems this season will be worse. The hurricane/earthquake/tropical storm/hoarding we just went through was mild compared to what is coming. We need to have a new set of emergency procedures and preparedness kits for the times.

Please remember the verse above, and that, in some cases, we do live in glass houses: mobile phones have cameras and recording devices, memories are long. If you do nothing else in this world: **BE KIND.**

Blessings, Ginny
