Dear Sundling Parents:

Supporting your PTA has never been easier!

We have successfully offered a direct donation program the past few years that has been highly supported by our WRS parents.

In this fast-paced age where it's hard to find extra time between work and your student's activities, parents are looking for a simplified way to offer assistance.

While parents appreciate the services of the PTA, many welcome the opportunity to reduce the number of fundraising solicitations. In recognition of this fact, the WRS PTA continues to encourage direct donations to satisfy its budgetary requirements used to support the many important programs it sponsors.

Direct donations are simple, straightforward, and tax-deductible!

You and your children are direct beneficiaries of our programs. Please complete the form below and send your donation (**check payable to "WRS PTA"**) in envelope marked direct donation. We appreciate your support!!!

Please return this form and your donation in the enclosed envelope by Friday, September 16th.
