Dear Friends of North County Quilters' Association:

How wonderful it was to be invited to your annual Holiday Party. Thank you so much for Check #1441 for \$1,000.00 your group donated for our military families. It is wonderful to receive such generous support for our inpatient Wounded Warrior Program for our Sailors and Marines.

Gifts from individuals, churches, businesses, and local communities have uplifted many spirits as we assist families of men and women serving in our Navy and Marine Corps. Throughout the year, our chaplains, case managers, Hope & Healing counselors, and Social Workers speak and counsel with many injured American Heroes. They assess those needing assistance and offer food and gift cards for local stores to help during the family's financial struggles, especially those who may be here recuperating. Donations such as yours help us to help them with financial support. What a blessing!

I extend my gratitude to you for brightening the lives of our military during the trying times they are facing. They appreciate knowing they and their families are supported and appreciated. We ask that you keep them all in your thoughts and prayer.
