

JOURNEY

LEA SALONGA

half the world is sleep - ing. half the world's a - wake. half can hear their hearts beat, half just hear them break.

i am but a trav - 'ler in most ev - 'ry way. ask me what you want to know.

what a jour - ney it has been and the end is not in sight. but the stars are out to - night. and they're bound to guide my way.

when they're shi - ning on my life i can see a bet - ter day. i won't let the dark - ness in, what a jour - ney it has been.

1. for - ward, al - ways for - ward,

2. on - ward, al - ways up cat - ching ev - 'r drop of hope in an emp - ty cup. what a jour - ney it has been.

what a jour - ney it has been.

VERSE 2

i have been to sorrow,
i have been to bliss
where i'll be tomorrow
i can only guess

through the darkest desert
through the deepest snow
forward, always forward, i go...
