ANNOUNCEMENTS

I. If your child has a May, June, July, or August birthday, please sign up for snack in May and indicate if snack is for his/her birthday so we can celebrate with your child.

II. We could use donations of paper towels and hand wipes.

More information about our field trips and end of year picnic will be in the May newsletter. Signup sheets for field trip drivers will be posted in mid-April for Hands on House.

CLASS NOTES

In March we learned about stars, our sun as a star, the relationship with the Earth moving in an orbit around the Sun, and what stars are made out of. We were delighted that our classroom bear Brownie had a baby while she was hibernating over the winter. We mixed colors and made color strips to help remember the colors we made. We added several shapes to our shape books. We began a unit on snakes.

In April we will learn about chicks and sheep. Our Thursday class will learn about taking care of our Earth.

Some of the books we enjoyed included:

Tiger Can't Sleep - S. J. Fore

Sleep Like a Tiger - Marie Logue

The Sun is My Favorite Star - Frank Asch

Moongame - Frank Asch

Day and Night - Robin Nelson

Our Stars - Anne Rockwell

How to Catch a Star - Oliver Jeffers

Bear Wants More - Karma Wilson

Spring is Here - Will Hillenbrand

Videos we enjoyed:

Goldilocks and the Three Bears

Our Thursday Class enjoyed:

Grandpa's Teeth - Rod Clement

Katie and the Starry Night - James Mayhew

Vincent's Colors

Stars - Steve Tomecek

Video - Dr. DeSoto
