Happy New Year

Hello and Happy New Year!

The board hopes you had a wonderful Holiday and 2022 has treated you well thus far. We hope you enjoyed the gift bags that were delivered to your doorstep early January as a small token of our appreciation for you all. Thank you to Kathy Paulson, our social chair that led the charge on organizing and delivering those.

Neighborhood Notes

🏠 A reminder that any changes OR improvements to any part of your house (front or back) within the HOA does require an architectural change request form submitted to Dave Estes. <http://www.andoverglen.org/architectural-change-request-form.html>

🏠 The Andover Glenn HOA updated policies and procedures have been approved and will be coming soon on the website for your viewing pleasure!

🏠 We have noted an increase in "Dog Leftovers" in lawns and Sagebrush park. If you observe it in the act, please report it to 303.739.7000 for non-emergency animal-related concerns.

🏠 Winter is here! Please clear the walks and the drives within 24 hours of snowfall.

🏠 Things have been pretty quiet on the Neighborhood watch front. Please continue to loop in the board as you see/hear things and partner together to keep our community safe!

Need some cheer in your life? #care

A few homeowners brought the idea of spreading some neighborhood cheer mirroring the “Halloween Boo Bags” that were circulating the last two Halloweens. These “care packages” would be an attempt to share some joy with each other and brighten up the long days of winter that can seemingly drag on. Didn’t get “booed” or this is your first time hearing of it? No Problem, details are below...

If you want to get your “care” on (starting February 1st), you would include the attached “Care Card” plus some fun, small, inexpensive gifts in a bag or container of your choice. Then, leave it on your neighbor's doorstep for a surprise. Or, ring the doorbell and meet someone new as you hand over a care package. The choice is yours! Just be sure to enclose a copy of the care package card (attached) so your neighbor can use it to say they have already received a gift bag (post it in the window by your front door) and then they pay it forward to another neighbor. No obligation to participate but wanted to bring this idea for you all to start/participate in at your leisure by recommendation of a few owners. Keep it simple, keep it reasonably priced, and have fun with it. #care
