Ozark Oak Back Pack w/ Leather Straps
L 10" W 6" H 13"

Made from hand split white oak from trees I select, cut & prepare using homemade tools. The Ozark Oak Back Pack is the newest creation I have started teaching, combining Hand Split White Oak with beautiful Leather Straps, making for a Useful, Serviceable yet Attractive Back Pack. It will be woven over a mold, and everyone should finish in class.

8 Hours All Levels \$125
No Kits

Thursday Class Selection 3

Class T15 8 AM-5 PM
Classic Cape Cod Purse
W 5.25" L 7.75" H 4.75"

Kathy Taylor

This basket is made on a mold with hand pounded black ash. The base, one piece rim and solid lid are made from American cherry. It has leather hinges, latch and a strap that is attached with bone accents. What a nice bag to carry either as a day bag or an evening purse.

8 Hours Intermediate
Class and Kits: \$120

Class T16 8 AM-5 PM
Mary & Jimmie Earl McKinzie
Adria W 8" L 22" H 7"

The multitude of spokes and rows that make up this advanced basket give it a delicate appearance. The wood base and attention to shaping result in a lovely oval shape. Color choices will be available for the dyed and space-dyed reed used in the triple twining and start-stop weave.

8 Hours Advanced
Class and Kits \$58

Class T17 8 AM-5 PM
Korb Mit Rippen

Nancy Matthews
D 10" H 6"

Students will learn the math to design continuous and start-stop twills. They will not make a basket; however, with this knowledge there is no need to add a stake, split a stake or make a "correction" at the end of each row. Handouts and charts are provided to use numbers of stakes from 25 to 100, and a few beyond. This is a perfect preparation for Twills 102, but not a requirement.

8 Hours All Levels
Class and Kits: \$45

Thursday Class Selection 4

Class T18 8 AM-5 PM **Jean Koon**
