Two additional board members will also be nominated at next weeks meeting. Dal Wood addressed the club regarding the conditions only under which he would assume the Club Presidency. Rather than paraphrasing Dal's points he will be sending another e-mail regarding those points.

Tony Walter was our speaker and gave us a brief summary of his book, "Baptism by Football". Although the Packers were founded in 1919 that was not the key year in their history. After the 1921 season the Packers lost the franchise for using three college football player in a December Game. Curly Lambeau went to the pro Football meeting in January 1922 and secured the Franchise. At that meeting the League name was changed to the National Football League. The Packers, Bears, and

Cardinals are the only original league members still operating. Later in 1922 the Packers were incorporated and stock was sold. Tony's Grandfather was an original share holder.
