### CUSTOMER ACCEPTANCE

In accepting this Agreement, Customer agrees to the terms and conditions contained herein including those on the following page(s) of this Agreement and any attachments or riders attached hereto that contain additional terms and conditions. It is understood that these terms and conditions shall prevail over any variation in terms and conditions on any purchase order or other document that Customer may issue. Any changes in the system requested by Customer after the execution of this Agreement shall be paid for by the Customer and such changes shall be authorized in writing. ATTENTION IS DIRECTED TO THE LIMITATION OF LIABILITY, WARRANTY, INDEMNITY AND OTHER CONDITIONS CONTAINED IN THIS AGREEMENT. This offer shall be void if not accepted in writing within thirty (30) days from the date first set forth above.

1. **Payment.** Work performed on a time and material basis shall be at the then-prevailing Company rate for material, labor, and related items, in effect at the time supplied under this Agreement. Further, in the event that this Agreement is executed on a "price not to exceed" basis, the price to Customer shall be lesser of: a) the limit price quoted, or b) the actual cumulative billing based on the aforementioned prevailing rate. Unless otherwise agreed in writing between the parties, Customer shall pay Company within thirty (30) days of the date of this Agreement. Customer agrees to pay all taxes, permits, and other charges, including but not limited to state and local sales and excise taxes, however designated, levied or based on the service charges pursuant to this Agreement. Company shall have the right, at Company's sole discretion, to stop performing any Services if Customer fails to make any payment when due, until the account is current. The Customer's failure to make payment when due is a material breach of this Agreement.

2. **Pricing.** The pricing set forth in this Agreement is based on the number of devices to be installed and Services to be performed as set forth in the Scope of Work. If the actual number of devices installed or Services to be performed is greater than that set forth in the Scope of Work, the price will be increased accordingly. Company may increase prices upon notice to the Customer or annually to reflect increases in material and labor costs. Customer agrees to pay all taxes, permits, and other charges, including but not limited to state and local sales and excise taxes, installation or alarm permits, false alarm assessments, or any charges imposed by any government body, however designated, levied or based on the service charges pursuant to this Agreement. The Customer's failure to make payment when due is a material breach of this Agreement. Prices in any quotation or proposal from Company are subject to change upon notice sent to Customer at any time before the quotation or proposal has been accepted. Prices for products covered may be adjusted by Company, upon notice to Customer at any time prior to shipment, to reflect any increase in Company's cost of raw materials (e.g. steel, aluminum) incurred by Company after issuance of Company's applicable proposal or quotation.

3. **Alarm Monitoring Services.** Any reference to alarm monitoring services in this Agreement is included for pricing purposes only. Alarm monitoring services are performed pursuant to the terms and conditions of Company's standard alarm monitoring services agreement.

4. **Code Compliance.** Company does not undertake an obligation to inspect for compliance with laws or regulations unless specifically stated in the Scope of Work. Customer acknowledges that the Authority Having Jurisdiction (e.g. Fire Marshal) may establish additional requirements for compliance with local codes. Any additional services or equipment required will be provided at an additional cost to Customer.

5. **Limitation of Liability; Limitations of Remedy.** It is understood and agreed by Customer that Company is not an insurer and that insurance coverage shall be obtained by Customer and that amounts payable to Company hereunder are based upon the value of the Services and the scope of liability set forth in this Agreement and are unrelated to the value of Customer's property and the property of others located on the premises. Customer agrees to look exclusively to Customer's insurer to recover for injuries or damage in the event of any loss or injury. Customer releases and waives all rights of recovery against Company arising by way of subrogation. Company makes no guaranty or warranty, including any implied warranty of merchantability or fitness for a particular purpose that equipment or Services supplied by Company will detect or avert occurrences or the consequences therefrom that the equipment or service was designed to detect or avert. It is impractical and extremely difficult to fix the actual damages, if any, which may proximately result from failure on the part of Company to perform any of its obligations under this Agreement. Accordingly, Customer agrees that Company shall be exempt from liability for any loss, damage or injury arising directly or indirectly from

occurrences, or the consequences therefrom, which the equipment or service was designed to detect or avert. Should Company be found liable for any loss, damage or injury arising from a failure of the equipment or service in any respect, Company's liability shall be limited to an amount equal to the Agreement price (as increased by the price for any additional work) or where the time and material payment term is selected, Customer's time and material payments to Company. Where this Agreement covers multiple sites, liability shall be limited to the amount of the payments allocable to the site where the incident occurred. Such sum shall be complete and exclusive. **IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY DAMAGE, LOSS, INJURY, OR ANY OTHER CLAIM ARISING FROM ANY SERVICING, ALTERATIONS, MODIFICATIONS, CHANGES, OR MOVEMENTS OF THE COVERED SYSTEM(S) OR ANY OF ITS COMPONENT PARTS BY CUSTOMER OR ANY THIRD PARTY. As required under 6 C.F.R. 25.5 (e), to the maximum extent permitted by law, Company and Customer hereby agree to waive their right to make any claims against the other for any losses, including business interruption losses, sustained by either party or their respective employees, resulting from an activity resulting from an "Act of Terrorism" as defined in 6 C.F.R. 25.2, when QATT have been deployed in defense against, response to, or recovery from such Act of Terrorism.
