Art Preparation:

- ★ We are asking for 10-12 pieces from each teacher. We have limited surfaces for displaying ceramics.
- ★ The list should include School Name, Your Name, Students Name, their grade, and the medium of their piece.
- ★ Please provide us with a list of your children's pieces with the identifying information and your contact information, I will make a master list of all the pieces for the show that will be available while viewing.
- ★ I have attached pictures of our hanging system. Attach a strip of foam core across the back along the top. Blue painters tape on the foam core does not hold, please use hot glue gun or equivalent. I have self adhesive loops that we will attach to the foam core strip, and then to our hanging hooks.

★ Thank you for all you do to support the arts in our community!
