Hayfield Farm Swim Club

Spring is Here!

Welcome to our returning and new members for the 2018 season! Opening day is Saturday, May 19, 2018.

Social Events

The social committee is busy working on our 2018 events. Look for more info on our Facebook page throughout the season:

Pool Rules

Check out the pool rules on our website, www.hayfieldpool.com, or in person at the front desk when you check in this summer!

New Barcode Scan Option!

Our upgraded barcode reader can now scan barcodes from multiple mobile devices. Simply take a clear, close-up photo of your keytag, store the photo on your mobile device, and scan it upon entry. This will alleviate problems with lost/worn out keytags, parents/nannies/etc. trying to check in minor children, etc. Please remember that the keytag is not transferrable; only the person to whom the keytag is assigned to may use the keytag to check in. Guards will verify the picture in our check-in system matches the person checking in.

Clean-Up Day May 5

Clean-up day is Saturday, May 5, beginning at 9 a.m. Please remember that the more members show up to help, the quicker we will finish! The list of chores is long, but I know we can accomplish great things if we work together. If you work for 2 hours, you will receive 5 guest passes; that's a \$25 value. This is a rain or shine event. I will have water and donuts for the early birds. Thanks!

-Mark Burnell, Maintenance Chair

Drive Safely

Please remember to drive slowly through the Hayfield Farm community on your way to and from the pool. The speed limit in Hayfield Farm is 25 MPH. Thank you for your consideration to our friends and neighbors!

Attention Dog Walkers

Please clean up after your pets, especially on the lawn in front of the pool and the area at the end of Hayfield Road behind the barricade. It is county law to clean up after your pets!

Diaper Covers Required

Diapered babies and toddlers must wear swim diapers or a rubber liner over their diapers. Parents/childcare providers, please remind older children to use the bathroom before they get into the pool. Let's avoid pool-closing accidents!

Pavilion Reservations

A \$25 refundable fee is required to reserve either of the two large pavilions. Members need to fill out/turn in a pool party guest list form **IN PERSON** to complete their reservation. The reservation book is available at the front desk beginning opening day, May 20. In the event of a no-show, the deposit will not be returned. Please be considerate and let us know if you need to cancel; lifeguards are scheduled based on the anticipated number of guests during the day and additional staff may be required for your party's confirmed number. Forms can be downloaded at www.hayfieldpool.com/

2018 Pool Staff

We are looking forward to another great summer! Our managerial staff this season will be:

Manager:	Andrew Ryan
Assistant Managers:	David Brighton
	John Ferguson
	Megan Riley
	Tim Strausser

Please remember your pool staff is here to ensure your safety while using the pool. We would like you to bring any issues you have with pool operations to the attention of the management, and you are always welcome to let us know at info@hayfieldpool.com. Stop in and say hi to our staff! Looking forward to a great year!

-Tom Ryan, Operations Chair

Keytag Procedures

Thank you for your support of our keytag entry system. If you have your keytags from last year, you will use them for entering and exiting the pool again this year.

If you are a new member or requested a new keytag with your dues/lease payment or are a member who has not yet picked up your keytags, please ask to speak with a manager at the pool. The manager on duty will take your picture for our check-in database, explain the keytag process, and you will sign for your keytags. Each member on your membership has been assigned a keytag and needs a picture in our system.

There is no cost for the initial keytag. Replacement keytags are \$1 each. Ask the guard at the front desk for a replacement keytag form if needed.

Note: Any keytag that was NOT renewed this year has been removed from the check-in system and cannot be used for entry into the pool.

Swim and Dive Teams Update

Are you ready to join the fun? The Hayfield Farm Swim and Dive Teams are ready to begin another great season of friends, fast swimming, awesome diving and sportsmanship! The swimmers and divers who proudly call themselves the "Hayfield Seahawks" compete in the Northern Virginia Swim League (NVSL) with other swim and dive teams in the surrounding communities and across Northern Virginia.

Coach Emily, Coach Connor and all of our awesome developmental swim coaches are back this season and Coach George, CJ and Nikki will be back coaching our divers! Our team begins after-school practices on the Tuesday after Memorial Day (May 29) and switches to morning practices on June 18th. Many of our team members have conflicting activities, so don't worry if you cannot make all of the practices. Our season is filled with fun meets, competitive meets, pep rallies and team building events.

The team suit sale (new suit this year) is scheduled for June 1st, 4:00-7:00 during practice. Please come find out more about our team and get your team suit. There will be parent meeting during each practice that afternoon. All parents are encouraged to attend. We will be giving information about the upcoming season and will answer any questions you may have.

If you need additional information, please contact our team representatives, Matt Murray and Colleen Ferguson (swim) and Donna Fillman (dive) at hayfieldswim@gmail.com.

More information on the swim and dive teams can be found on the team website: <https://seahawks.swimtopia.com>. The website is updated throughout the season, so please check often for current information.

Mini Hawks:

Hayfield Pool also has a pre-swim team program called Mini Hawks. This program is geared towards swimmers who are not quite ready for competitive swimming, but are interested in the team in the future. Unlike swimming lessons, we focus on skills such as stream lining, starting dives and stroke technique. Coach Annaliese will be heading up the Mini Hawk program for the 2018 season. To register for Mini Hawks, swimmers must be four years old as of June 1, 2018. Please check the website for more information about having your Mini Hawk swimmer evaluated.

-Kim Wilson, Swim and Dive Chair
