

COYOTE O.K.G. OF THE WEEK

Our third OKG is Johnny Lepp

Johnny is a 13 year old Tight End who attends Springfield Middle School. He is a very good blocker who can also catch. However, Johnny's greatest contribution to the team is his sense of humour. There is rarely a dull moment when Johnny Lepp is around. His goal for this year is not to drop any passes in games. He loves football because of the community it creates. "Because of the Coyotes, I have friends in Beausejour, East Selkirk, and Lac du Bonnet. It's hard not to become good friends with the people you play football with."

Football is Coming.
