## CHAIR'S CORNER

by David McGan

**Chris Woodard**, Quality Manager at Jasper Rubber, was a great host at our April Section meeting, where we had a comprehensive tour of the Jasper Rubber facilities in Jasper, IN. They've been in business since 1949, and have expanded over the years to several buildings in Jasper.

The extensive walking tour not only educated us on the products and production methods at Jasper Rubber, but also resulted in working up an appetite, which we satisfied with a follow-up meal at the ever-popular Schnitzelbach Restaurant.

As our meal was winding down, Willy Zech, our current Section Treasurer, presented the "Best Practices" 5-minute talk on an overview of the use of "Paynter Charts." This is a useful visual control method of keeping an eye on the effectiveness of Corrective Actions.

**We're still needing volunteers for Leadership positions for 2017** -- Your Section needs you! We need to start identifying those who might serve on our Leadership team for 2017, as we need to have nominations in place for our October 2016 meeting. If interested, contact Brian Wilson, our current Nominations Chair.

The ever-popular annual Auction Night is coming up for our May meeting at the Log Inn, in Warrenton, IN. Be sure to make plans to bring a guest. Remember, your guest is also our guest at the May event. And also you'll earn extra Auction Bucks if you bring items to include in the auction. So, I'm looking forward to seeing you all next month at this fun event.
