Crawford County Seeks to Honor Community Volunteers

LEAVENWORTH, IND – The Community Foundation of Crawford County (CFCC) is pleased to announce reenergized efforts around honoring Crawford County’s prized volunteers. As a philanthropic organization, the CFCC points out that philanthropy is about more than money. Volunteerism and sharing one’s talents are significant parts of philanthropy and contribute greatly to the success of any community. To recognize volunteers serving our community, the CFCC is proud to announce the Doris June Snider Kaiser Volunteer of the Year Award.

Nonprofits located in, or serving, Crawford County are encouraged to submit the name of one adult (ages 19 and older) and/or one youth (ages 18 and younger). This is NOT a competitive process, but one where each person who is submitted will be honored.

The volunteers will be honored at an event on June 29, 2017 from 6:00 to 7:30 PM at the Clover Room at 4-H Park, 1095 S State Rd 66, Marengo, IN. The 4-H Council and Purdue Extension are collaborating with CFCC to provide this event. The honorees’ meals and a special award will be paid for through the Doris June Snider Kaiser Memorial Endowment Fund. Others who wish to recognize the submitted honorees should be included on the reservation form which is part of the submission packet. Additional attendees’ meals are \$20 each. Costs are purposefully kept low so that others may attend.

Mr. Jim Kaiser of Eckerty, IN established this fund at the time of his wife’s death as a way to honor all of her volunteer work in the community. Her volunteer efforts were extensive and the CFCC is humbled to be a part of such a legacy.

Submission forms are available on CFCC’s website at www.cf-cc.org, on Facebook @CFCC4ever, or mailed or emailed by request to charbeson@cf-cc.org or by calling 812.739.2616.

The Community Foundation of Crawford County was founded in April 1998 by a volunteer Board of Directors that represented a variety of interests in Crawford County. To date, the CFCC has awarded almost \$6 million in grants for programs/projects supporting Crawford County children and youth, education, housing, health and human services, the environment, technology advancements, literacy and the arts, and has awarded more \$2 million in scholarships benefiting Crawford County students. The CFCC currently manages more than 75 charitable endowment funds on behalf of families, individuals, corporations and non-profit organizations.
