

Life Enrichment Seminar 402

By: Dr. Ralph Klicker

A WALK THROUGH TIME: HISTORY OF DEATH CARE, CEMETERIES, CREMATION, CORONERS AND MEDICAL EXAMINERS

Description

This Seminar explores the development of the 4 major death care professions in the United States: Funeral Service, Cemeteries, Cremation, Coroners and Medical Examiners.

Objectives

At the completion of this Seminar, the Funeral Director will:

- Have an understanding of the history of the 4 major death care professions in the United States
- Be able to discuss when and why each profession evolved
- Recognize the importance of each profession to the general public
- Plan a public discussion of the topic

Outline

- Death care in the 1600's
- Death care in the 1700's
- Death care in the 1800's
- Death care in the 1900's
- Death care in the 2000's

Time

1 to 2 hours

Note

What is unique about this program is that the funeral director will leave with an outline for presenting this program to this community.

Seminar handout will be available to associations for duplication
