FYSVRT Ground Rules for Group Discussion

All FYSVRT attendees should have a chance to speak, express their own ideas and feelings freely, and pursue and finish out their thoughts.

Everyone has an equal opportunity to share their voice and view.

A variety of points of view are to be put forward and discussed during meetings.

All attendees should work to remain open-minded.

Stay true to the FYSVRT goals.

Participants can interpret topics openly and honestly.

All respectful feedback is welcomed. 😊
