If we don't follow God's directives for life, how could we ever expect things to go right for us? James 2:22-25 tells us if we don't do what we hear - we become deceived, that's dangerous! and foolish for us to ignore His wisdom. "We reap what we sow!" (Gal. 6:7) That works against us, but is also works for us! Apply God's Word positively in your life- "Overcome the evil (actions, attitudes, works, responses, behaviour) by doing good" (Rom. 12:21). And then experience blessing, prosperity, success, purpose, spiritual quality and character, maturity, motivation, joy and the rest of the results (fruits) of God in your life! (He promises).
